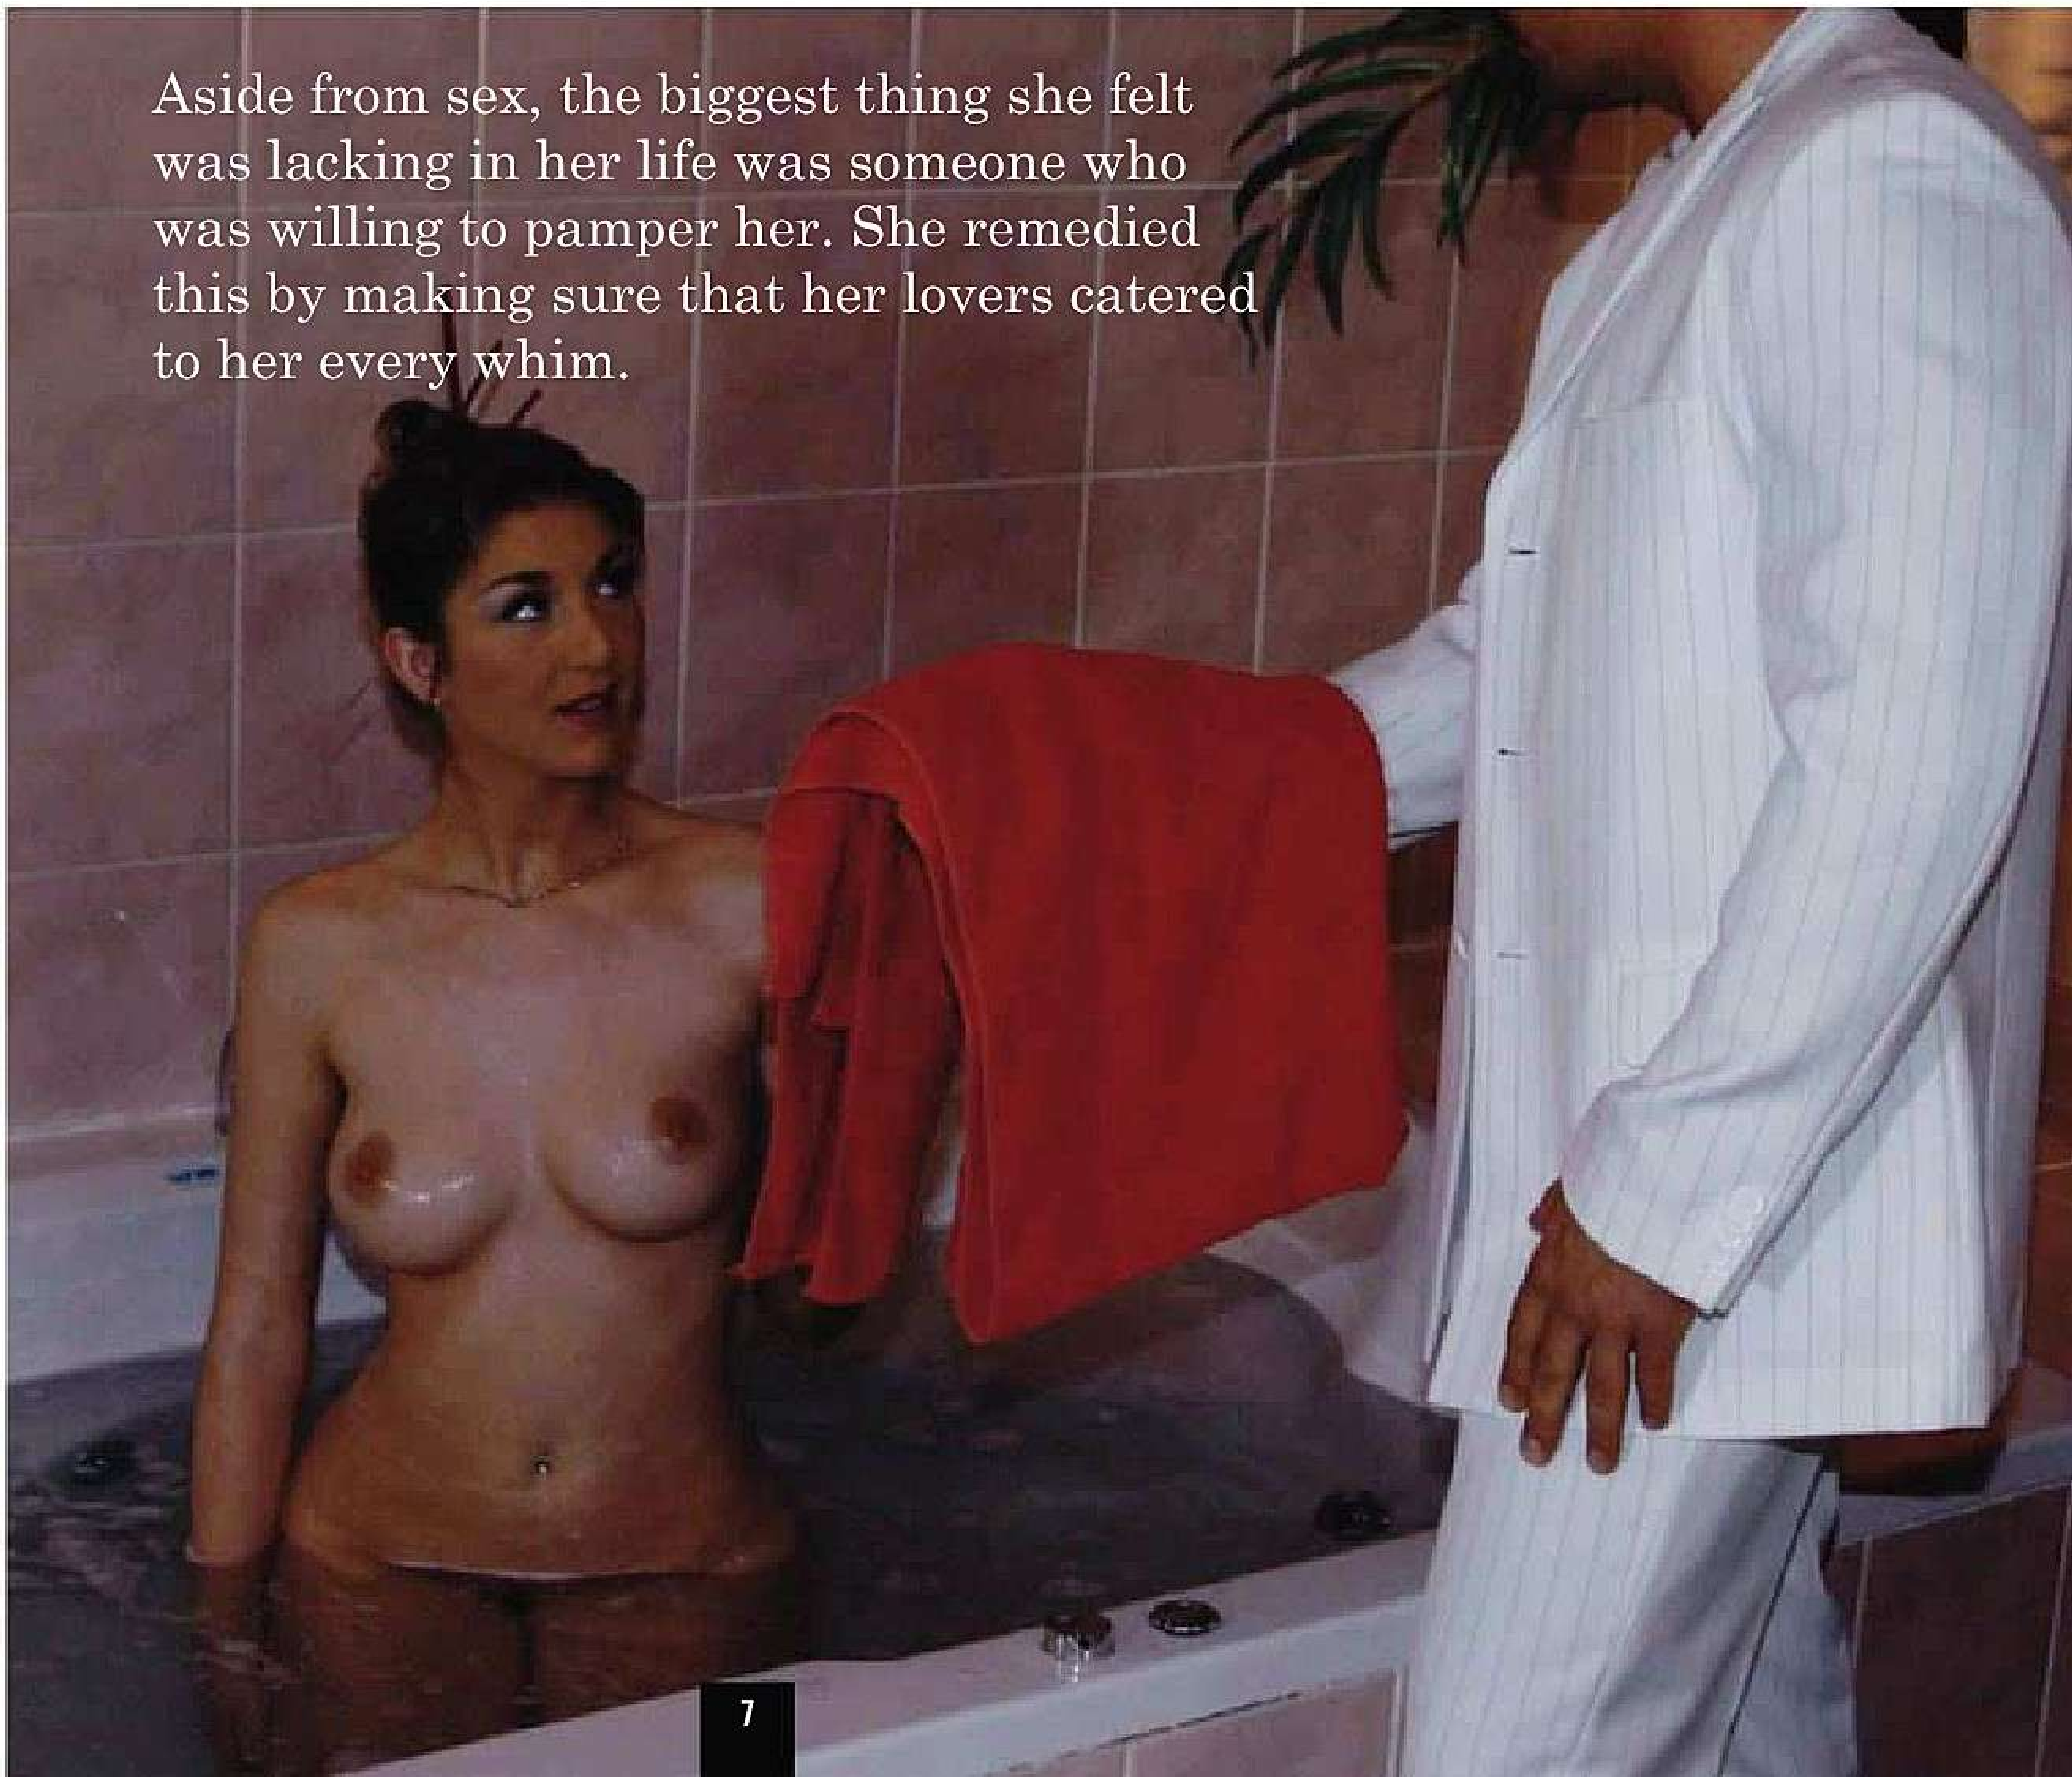
Veronica was the neighborhood girl-next door, whom all the wives hated, and all the husbands fantasized about. Her husband, a long-haul trucker, was on the road more often than not, leaving his sexy wife alone and unsupervised. And while Veronica had always had a high sex drive, it had gotten even stronger after she'd had a baby and turned 30. The once-a-week fucks she got from her absent husband were no longer cutting it, and it was getting to the point that she could no longer ignore her itchy cunt.

Though she hated the fact that her husband was gone so much, it also had its advantages, she soon realized. The biggest advatnage was that she was pretty much able to fuck whomever she wanted, without fear of discovery. And once she started, she just couldn't seem to stop.

Veronica

Stay-at-home Slut

Aside from sex, the biggest thing she felt was lacking in her life was someone who was willing to pamper her. She remedied this by making sure that her lovers catered to her every whim.



Never once did she feel guilty about what she was doing. She figured that her husband was getting plenty while he was on the road, so why shouldn't she?

She tried to keep her affairs discrete, but word spreads quickly in small towns, and before long, she was known as the slut who would do just about anything and anyone.

When her husband did make it home between trips, the sex was even hotter. Veronica couldn't help but get off on the fact that she was screwing her husband on the same bed that, just hours earlier, she had fucked his best friend.

Now that the coast is clear again, Veronica's plenty horny and ready to play. If you'd like to spend some personal time with the girl who'd do anything, give her a call.

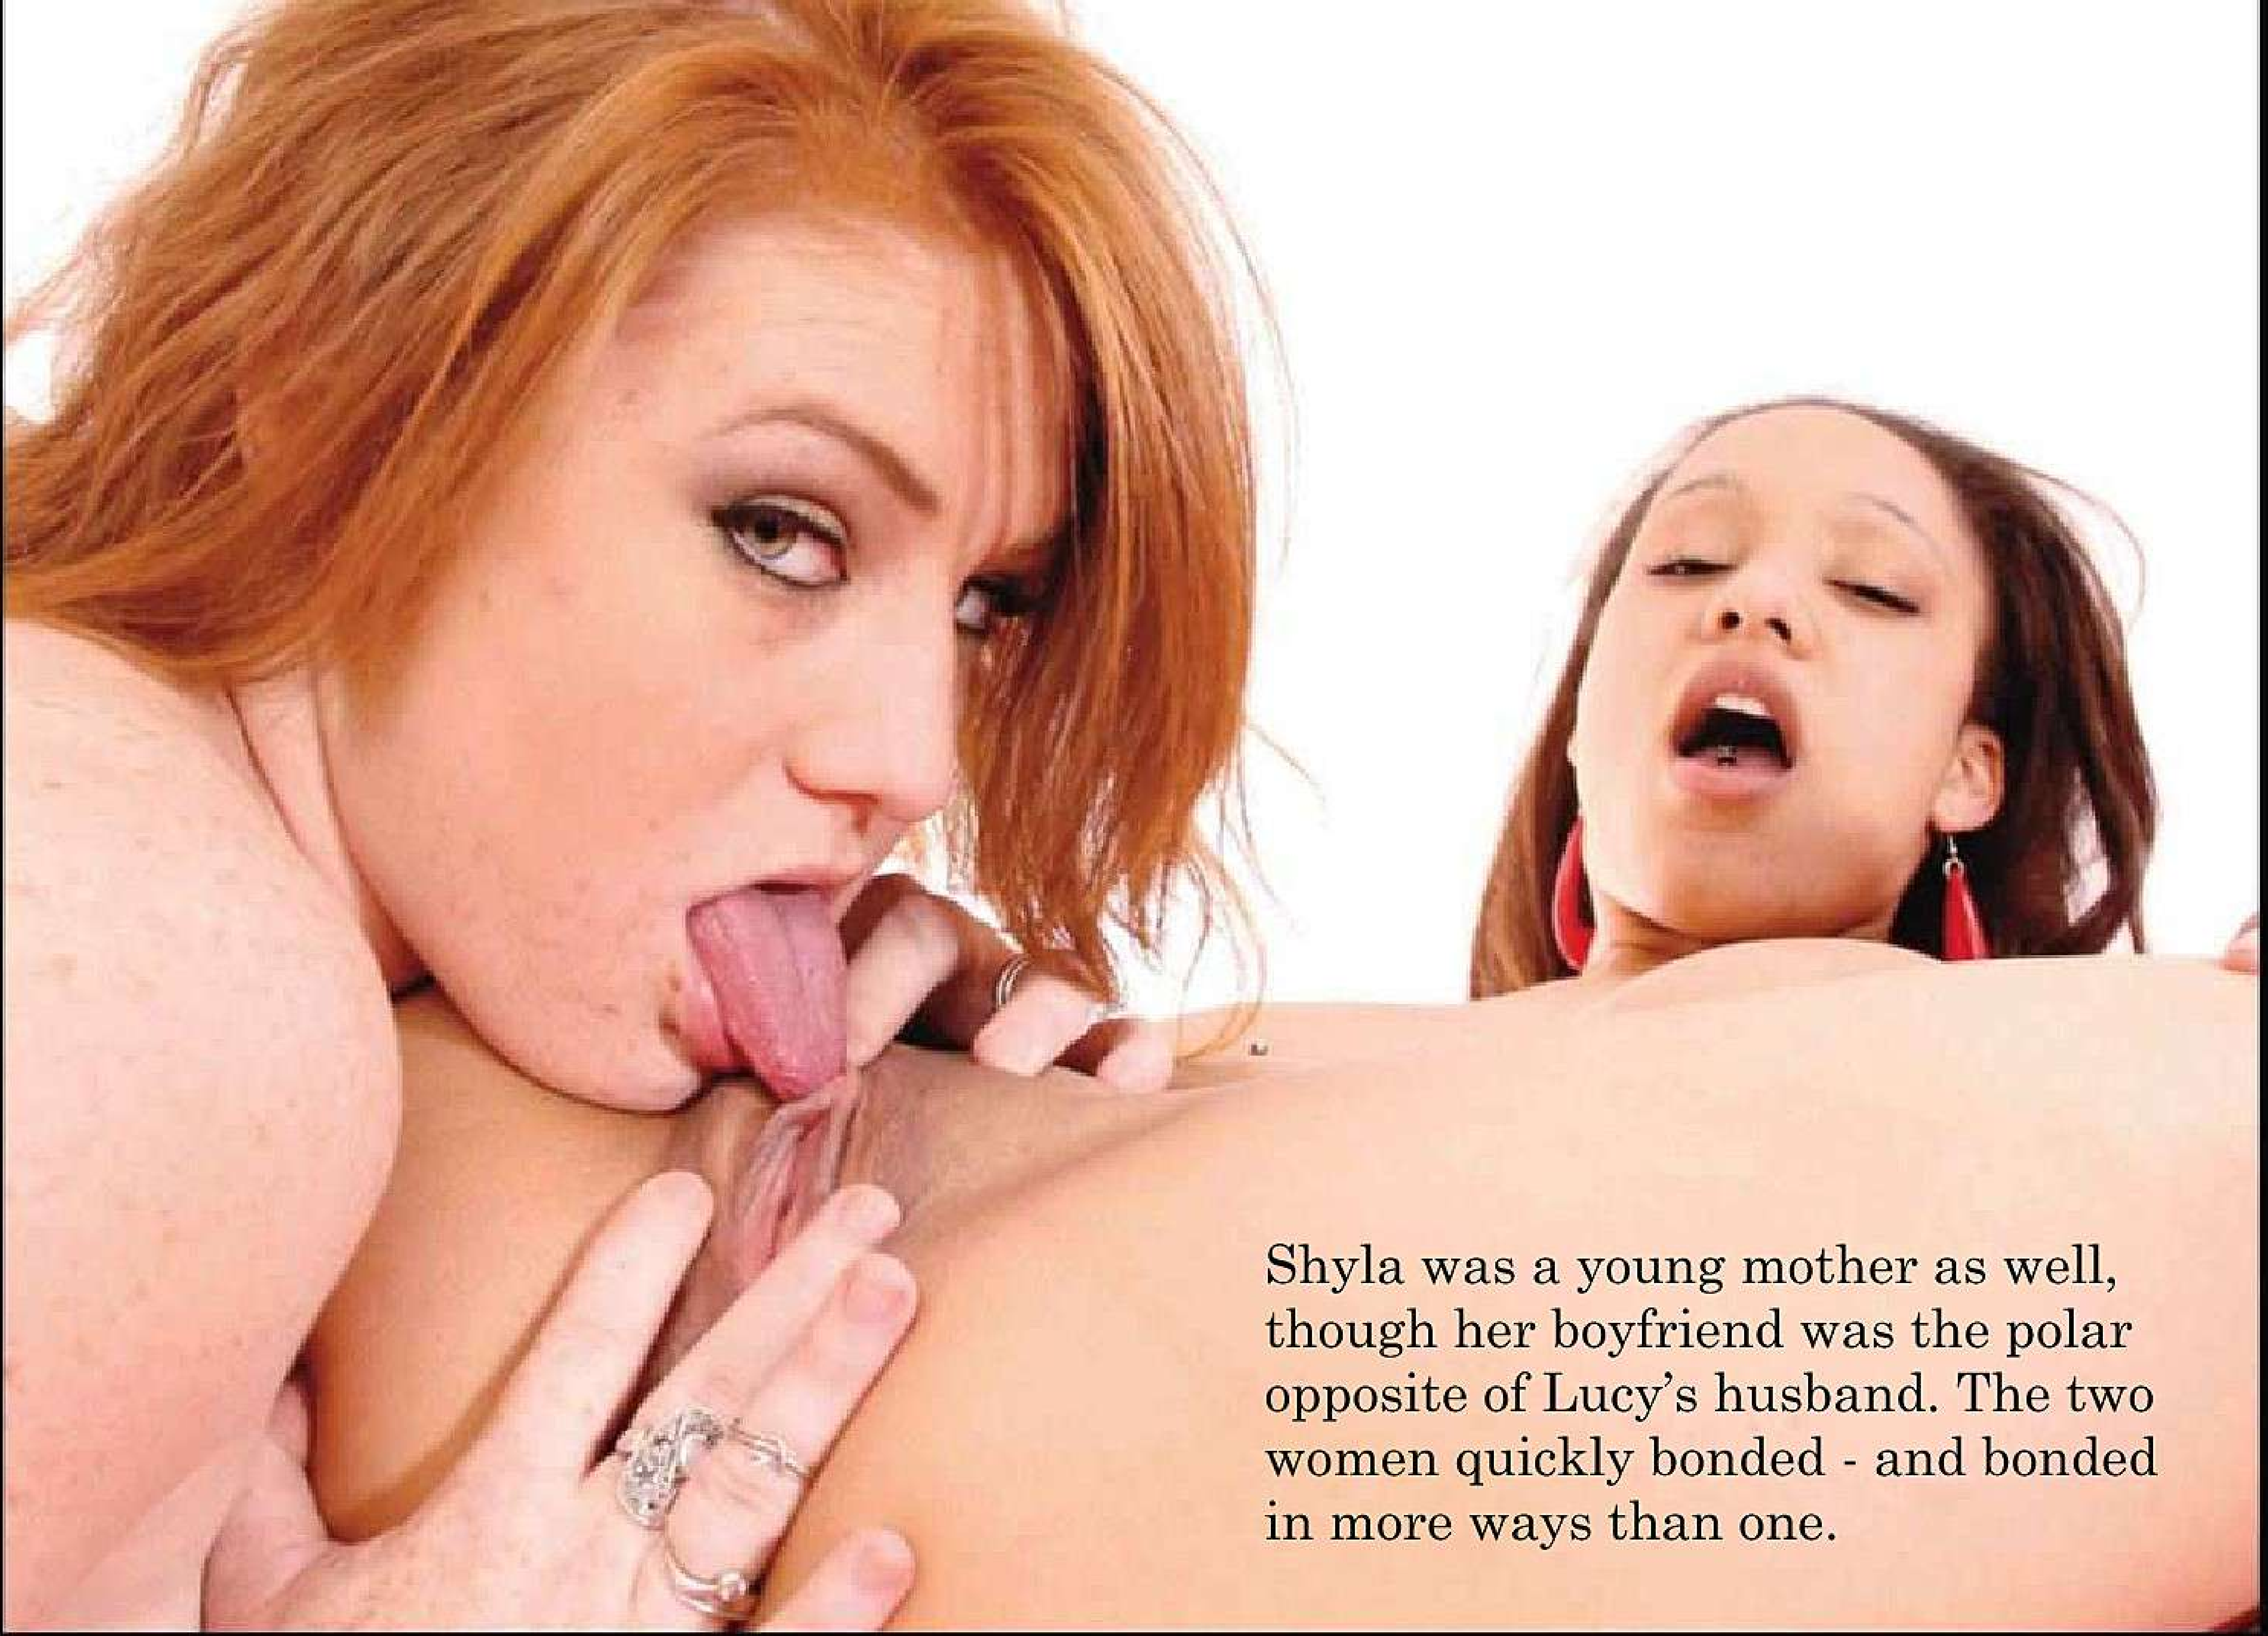
Shyla &

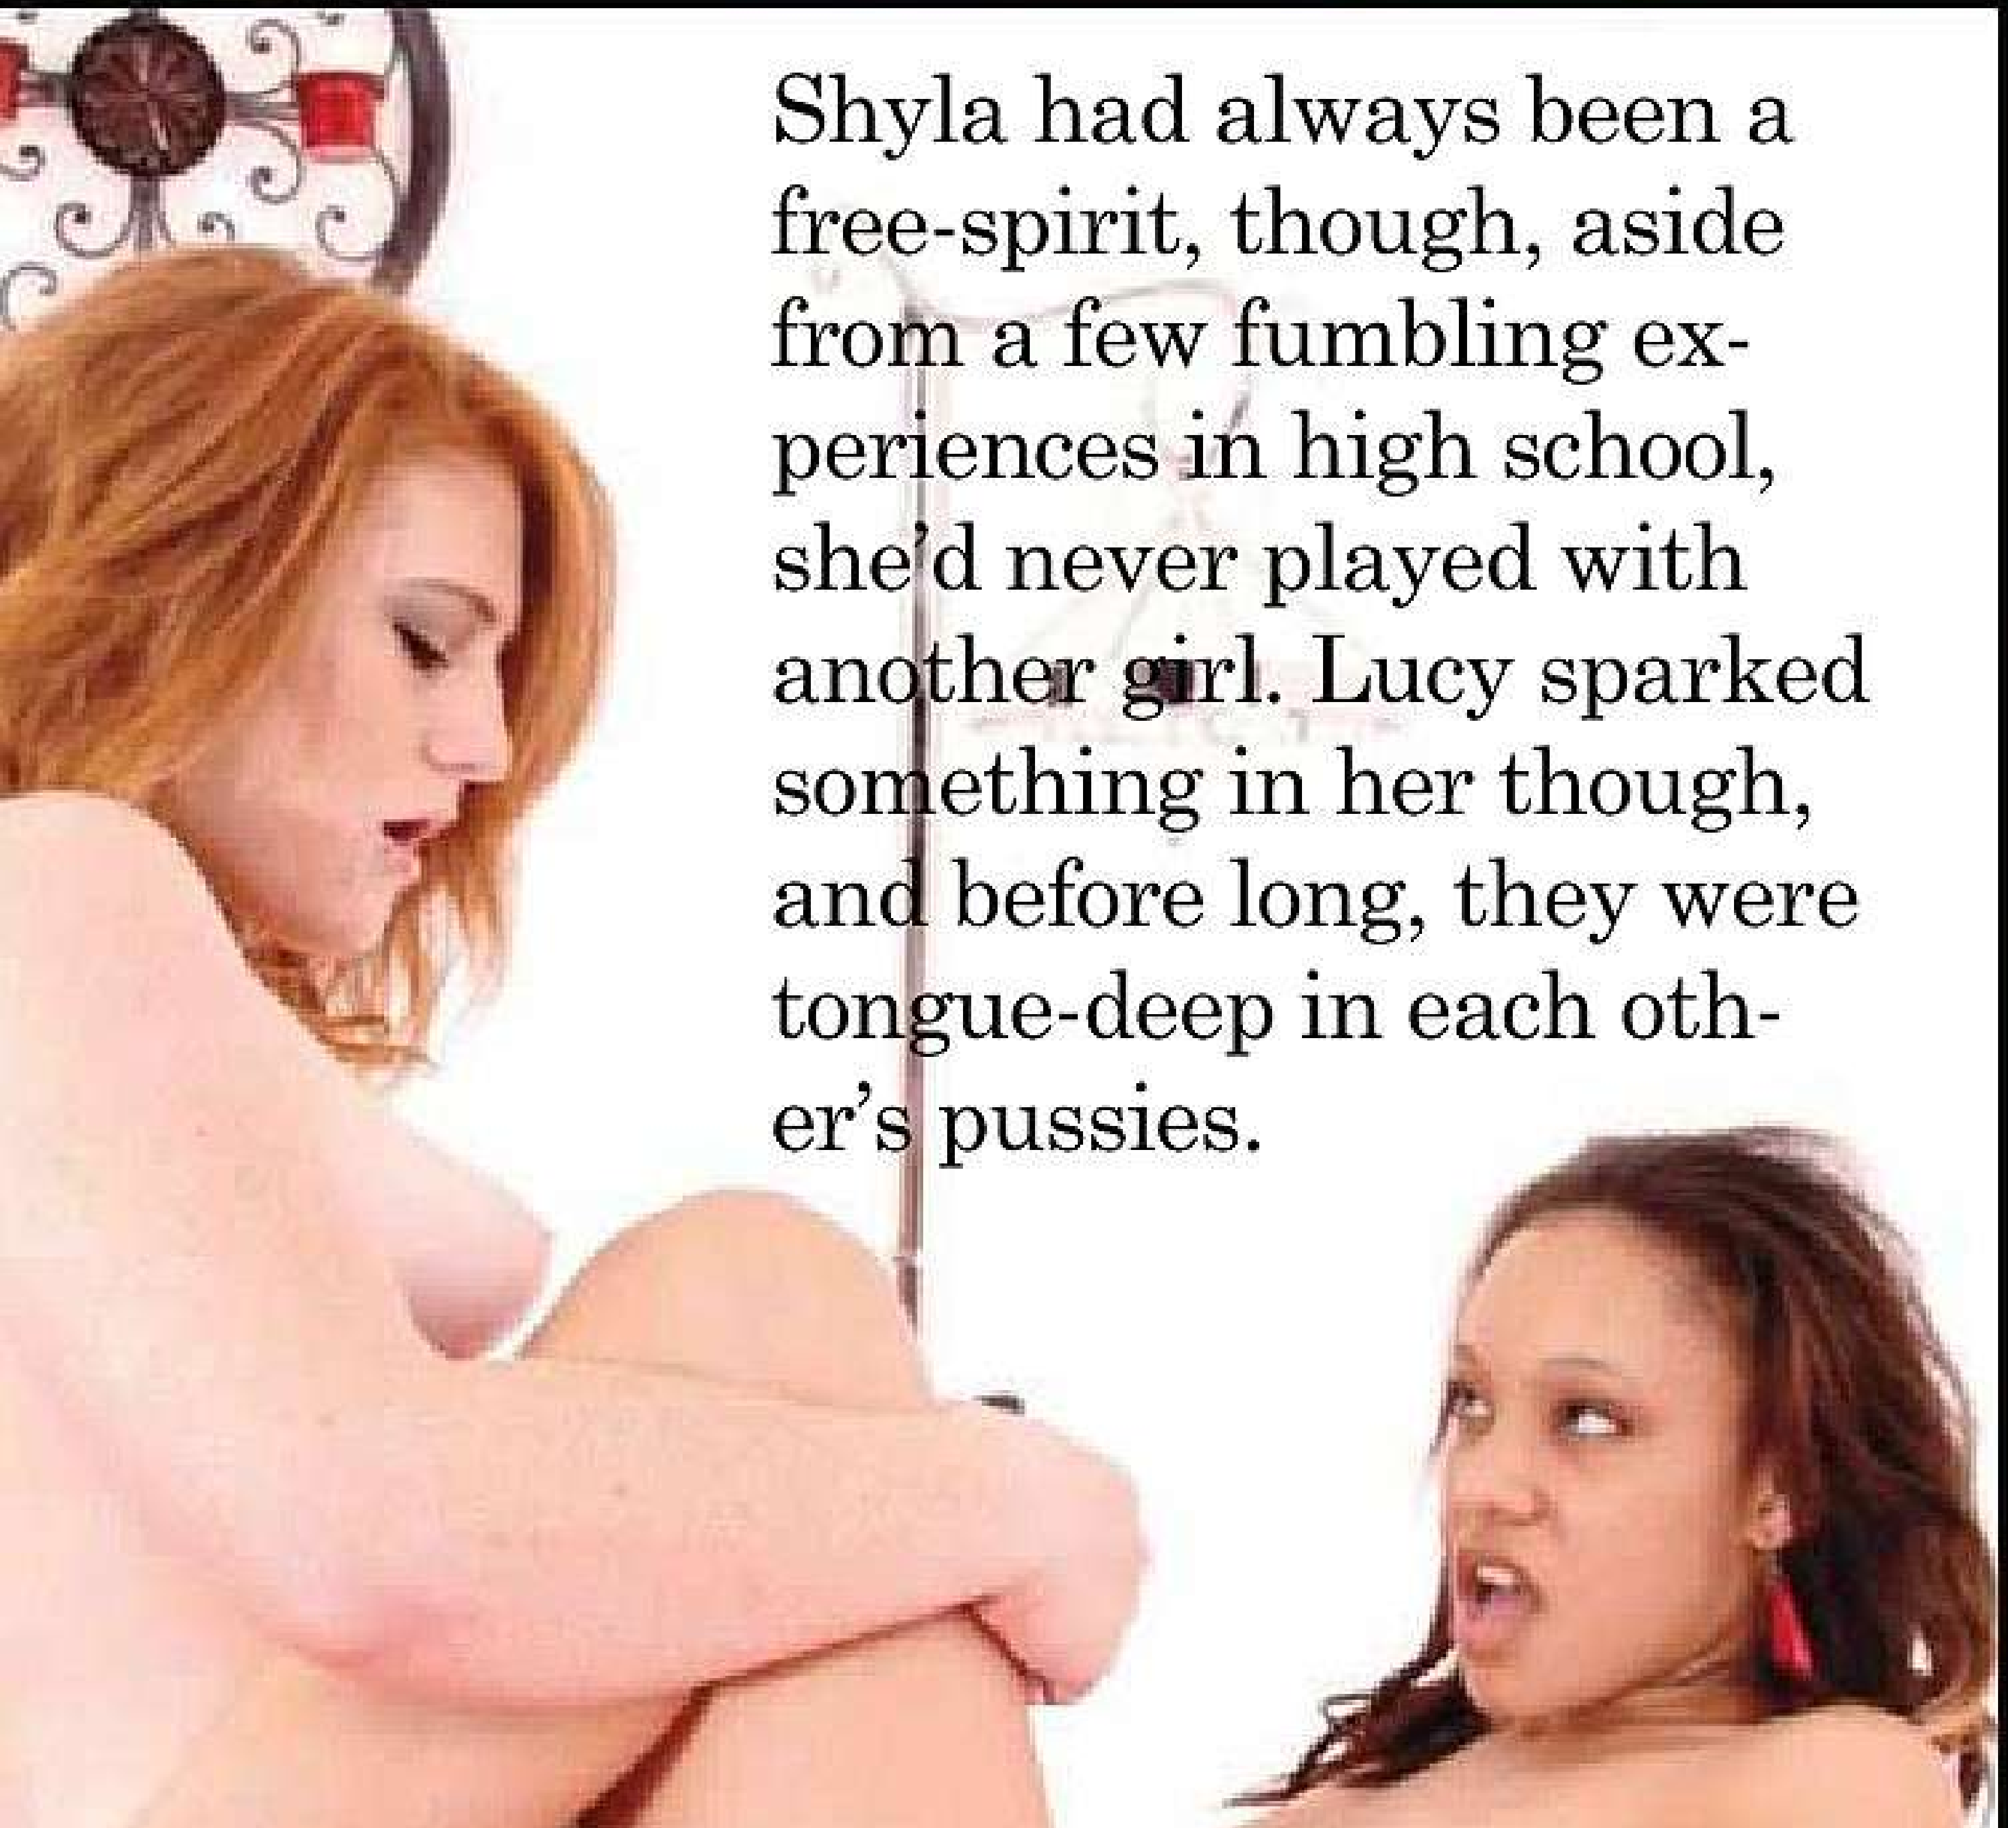
& Lucy

Friends Who Care, Share

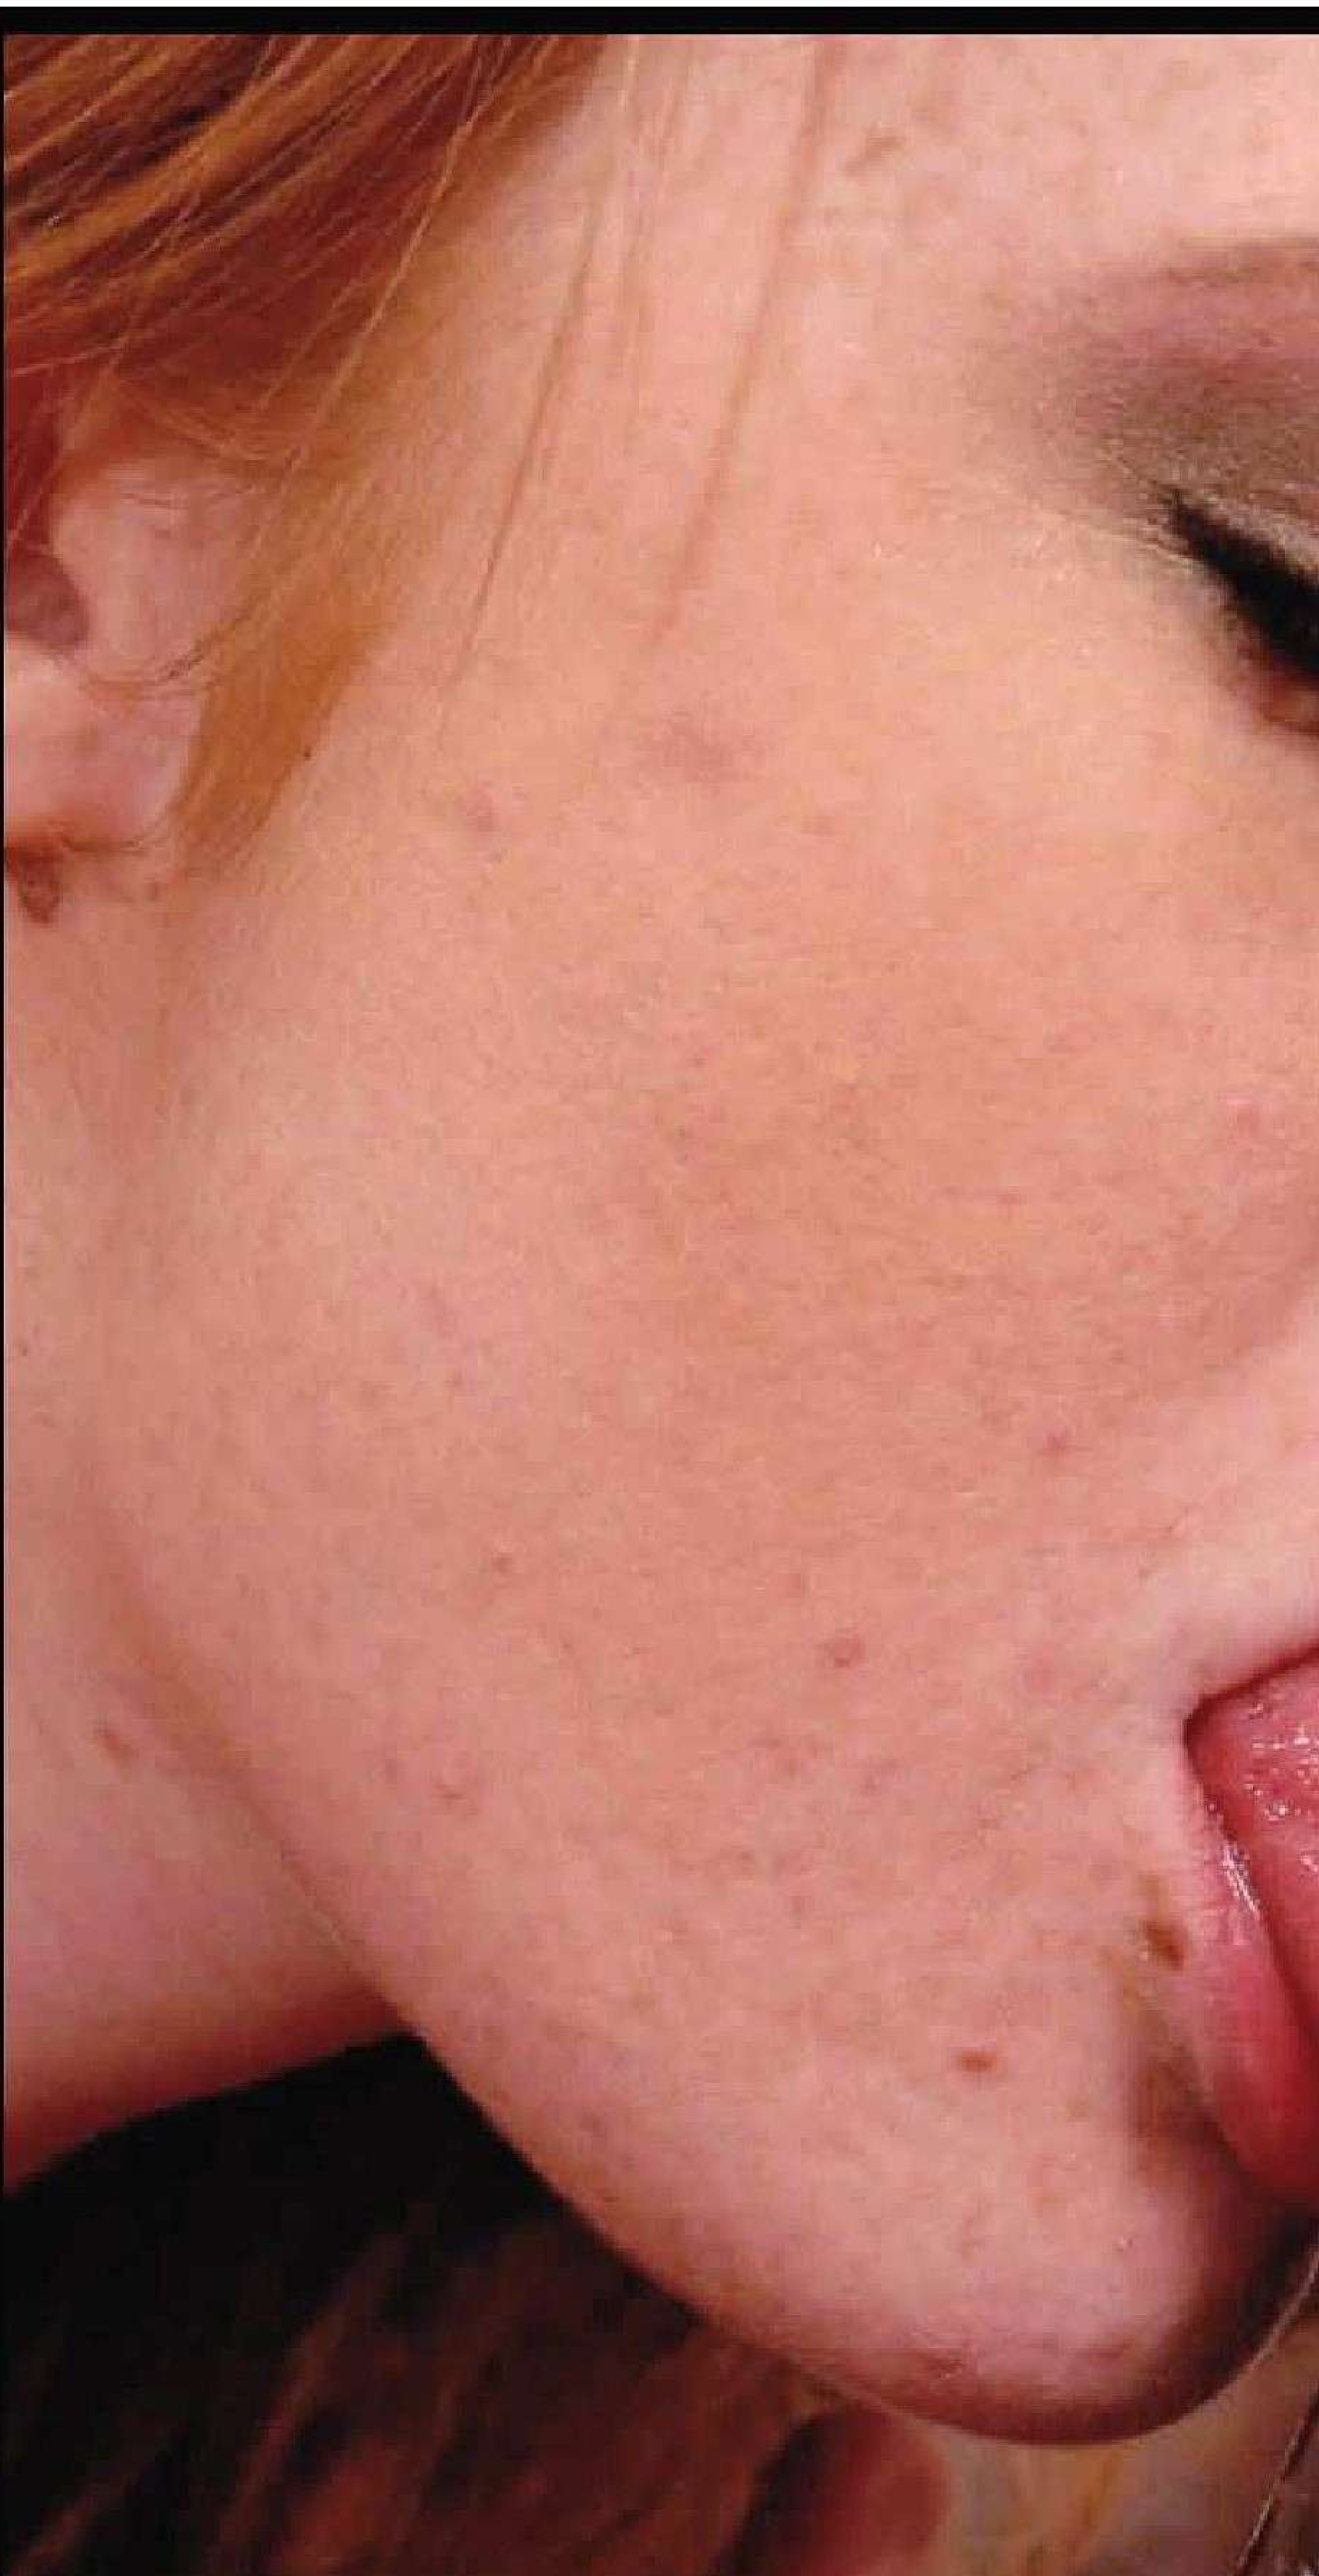
Lucy had made the same mistake that so many teens make: she'd fallen in love, gotten knocked-up, then listened to her parents when they told her that the only way she could fix the mess was by getting married. Perhaps this works for some people, but it definitely didn't work for Lucy. Her husband was a complete jerk, hopelessly lazy and immature. To top it off, once she had their baby, it seemed that he wanted nothing to do with her. He'd prefer to spend his evenings at the bat with his boys, instead of at home with his wife. This is when Shyla entered the scene.

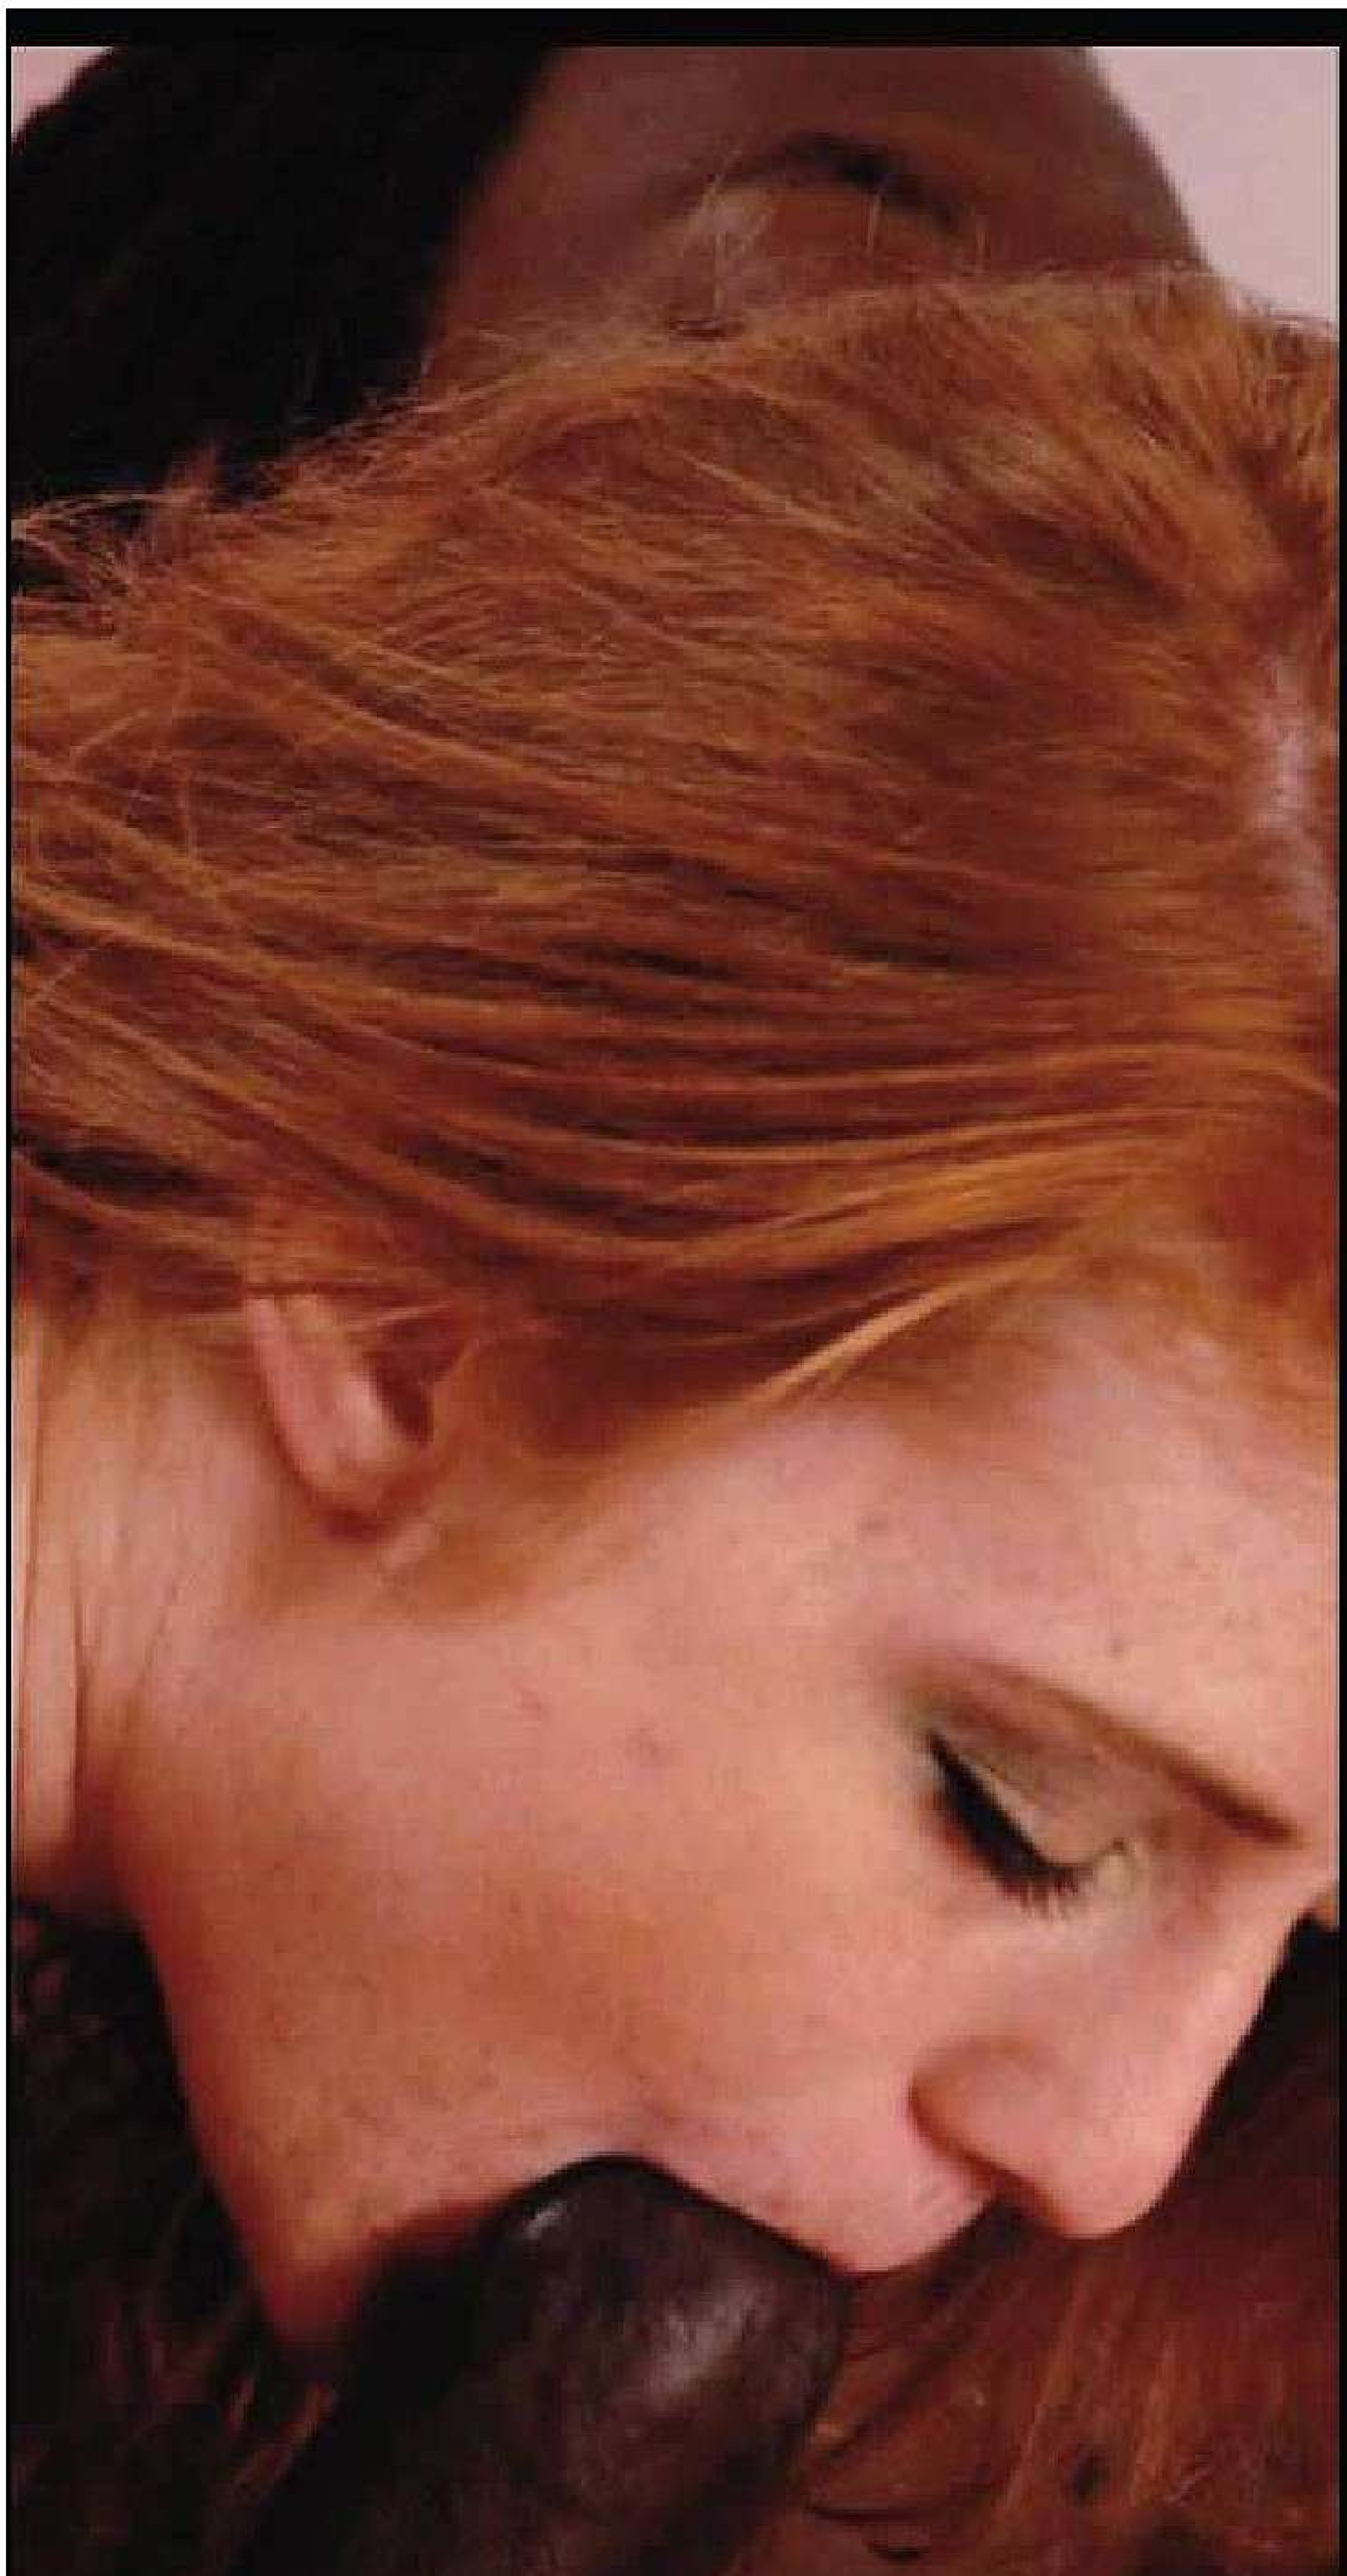


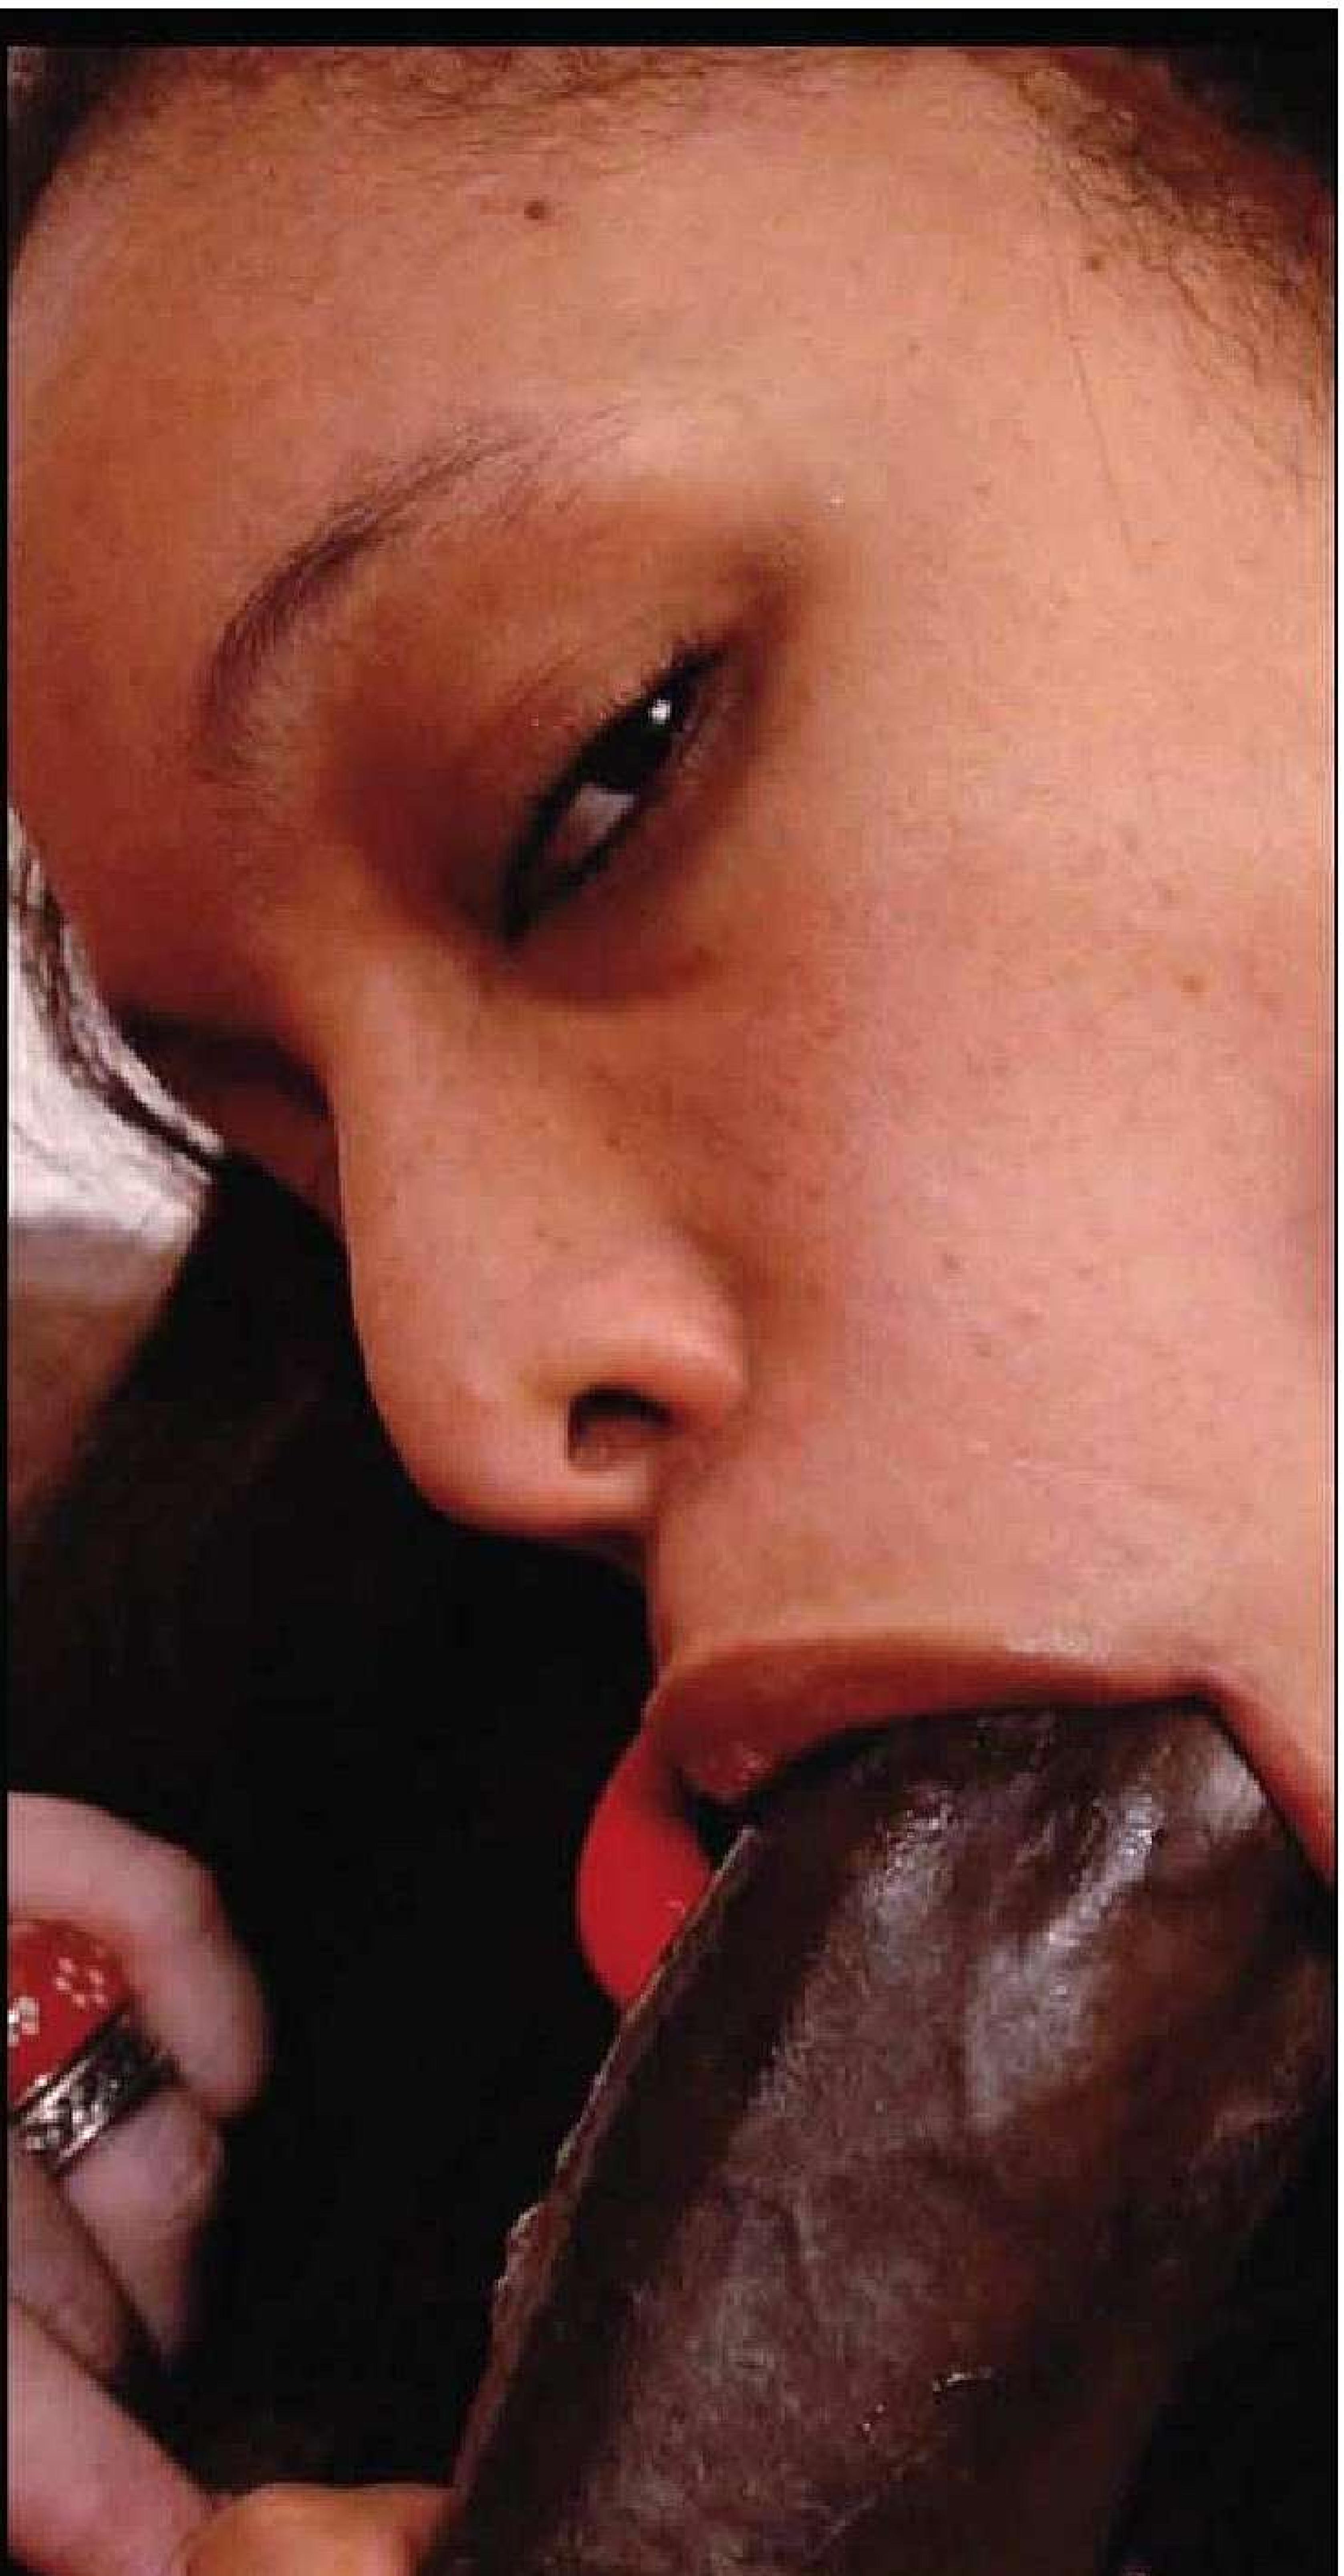
Shyla was a young mother as well, though her boyfriend was the polar opposite of Lucy's husband. The two women quickly bonded - and bonded in more ways than one.



Shyla had always been a free-spirit, though, aside from a few fumbling experiences in high school, she'd never played with another girl. Lucy sparked something in her though, and before long, they were tongue-deep in each other's pussies.







Since Shyla and her boyfriend had a certain “understanding,” he didn’t mind in the least that the girls were fooling around. He minded even less when they invited him to join them.

Not that the girls limited themselves to just one cock. Sometimes they'd go prowling, and find some hot stranger to go home with, just for the thrill of it.

If nothing else, Shyla's taught Lucya to get down, instead of being down and out about her situation. Wouldn't you like your own taste of this dirty, double action?

WHACK JOB

"Honey, I'm home!"

She flew out of the kitchen and attacked me, smacking me hard across the face with her right hand, flailing at my chest with her balled left fist. Welcome home.

My wife is dark haired and dark eyed, has a tight, toned body with a perfect set of tits, sleek, shapely legs, a pussy wet and hot and wild as her sexual temperament. She likes it rough, all the time. I knew what I was getting into when I married the bitch.

She lashed at my face now, beat on my chest, her eyes blazing and nostrils flared, black hair shining. She hooked her claws onto one of my nipples and viciously pinched, making me wince. She slapped my reddened cheek with a stinging crack that made my eyes water and head spin, my body surge with shimmering heat. Then she grabbed onto my balls and twisted.

I whacked her across the face, sending her slamming into the wall.

"Hot-pussied bitch!" I snarled, shoving her down the hall, into the living room. "This how you 'greet' your husband after a hard day's work!?"

'This' was how she usually always greeted me after a hard day's work – roughly. Making me hard. My cock boiled up rigid now, the blood singing in my veins on its way to my dick, my body and face burning.

My clothes – jacket, tie, shirt, pants – were coming off. So were her clothes. As I smacked her playfully across the face.

She reeled against the couch, breathing hard. She tore her red silk blouse off and away. I stared at her gorgeous tits – taut, flawlessly formed, sunkissed mounds capped by hard, jutting, tan nipples.

She leapt forward and pounded on my bare chest with both of her fists. I grabbed her by the tits and shoved her backwards. She fell onto the couch, instantly raising her long, lithe legs and sliding her black leather skirt off. Her pussy was wet as hell, the dark fur glistening.

She rose up, naked and fiercely beautiful in her high heels, to assault me again. But I grasped her by the neck and forced her back down. I was as nude as she was, my cock an iron-hard rod that the wild woman was going to obey. She spat up at me, her hot saliva spraying into my face.

I whacked her cheek with the palm of my hand, clutching her throat with my other hand. Her eyes burned with tears, wet red mouth wide open, pink tongue hanging out.

I straddled her chest and sat on her tits, pinning her arms to her sides with my knees. Then I stuffed my cock into her mouth, almost right down to the balls.

My dick was enveloped in steamy, velvety heat and wetness. Veronica squirmed, writhed, kneed at my back, tried to twist her head from side to side. I could feel her rock-hard nipples pricking into my ass, her tits heaving me up and down. I let go of her neck and grabbed her glossy hair on either side of her head, held her face straight and pumped my hips, plunging my dong back and forth in her mouth and throat.

She bit down on my cock, completeley in control of the situation.

I grunted, yanked her hair. She bit down harder, her watery eyes glaring up at me, angry nostrils flooding my groin with humid heat, her beautiful face flushed burning red under her tan. My cock boiled in the heated confines of her mouth, lodged in her throat.

Her lips sealed tighter, teeth sinking deeper. I felt the pain, felt the pleasure more – because of the pain. My dick seemed to balloon with blood, filling Veronica's cheeks and bulging her throat.

I reached back and found her cunt, smacked her clit with my fingers.

She gasped deep in her throat and body, and the pressure eased on my prick. She left teeth marks behind, as I pulled back.

I moved my hips again, thrusting back and forth on her tits, fucking my wife's face. Whacking her clit in rhythm.

She shuddered, scratched my thighs with her fingernails, bobbed her head, sucking on my pistoning prong. Her face shone with sweat, eyes gleaming. Her pussy was soaking wet, her clit swollen thick and rigid as her nipples.

I slapped her cheek, smacked her clit, and she sucked harder, faster. Her head bounced to and fro, hair flying, mouth vaccing my pumping pole to the blast-off point. My shifting balls on her chest boiled over.

But she beat me to it, arching beneath me, her eyelids fluttering, veins on her neck almost bursting. Hot pussy juice squirted out around my beating fingers, Veronica's body quivering out of control.

"Fuck!" I grunted, bucking. My cock in her clamped-down mouth and throat exploded, spurting brutal ecstasy over and over. I flooded her with jizz, spanking her pulsing clit, the pair of us coming with animal intensity.

I got up off her tits and bent down to kiss her. She spat warm sperm in my face, snapped her teeth at my lower lip and smiled.

I pretented to recoil but deep down I loved how my wife fucked like an animal in heat.

My wife's a woman not easily satisfied. She wants it bad, all the time. I wouldn't have it any other way.

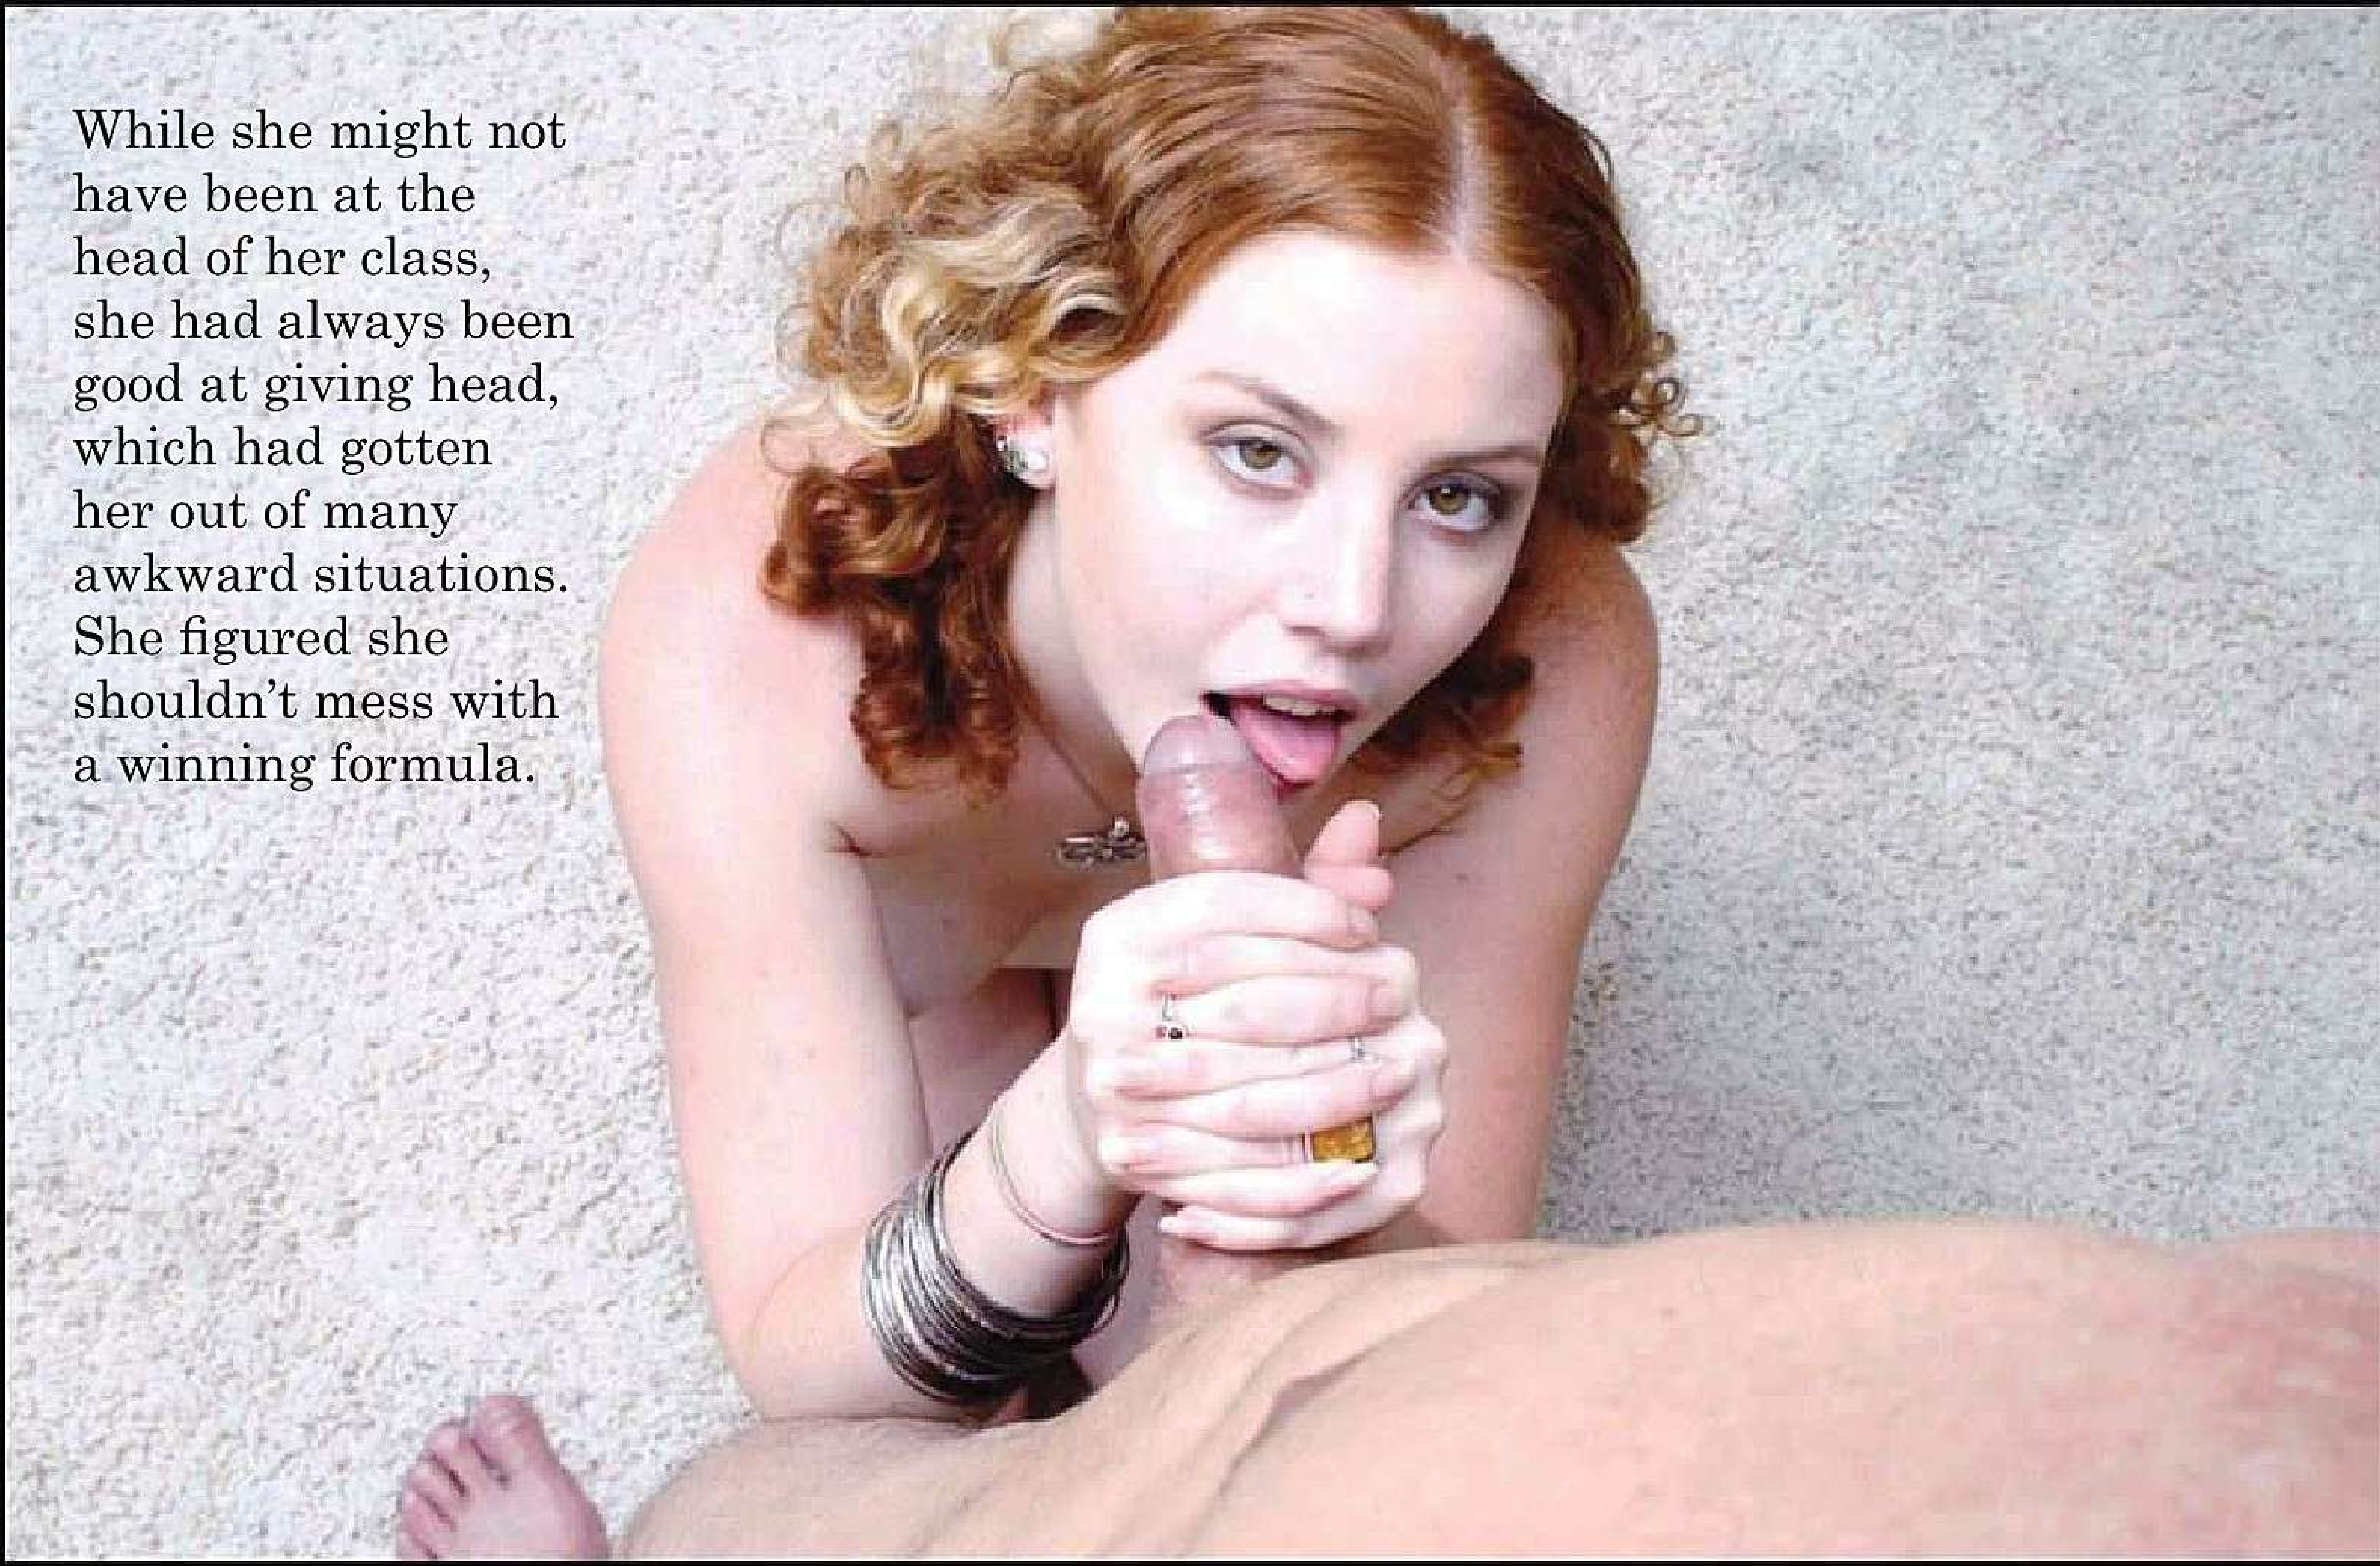
Cherry

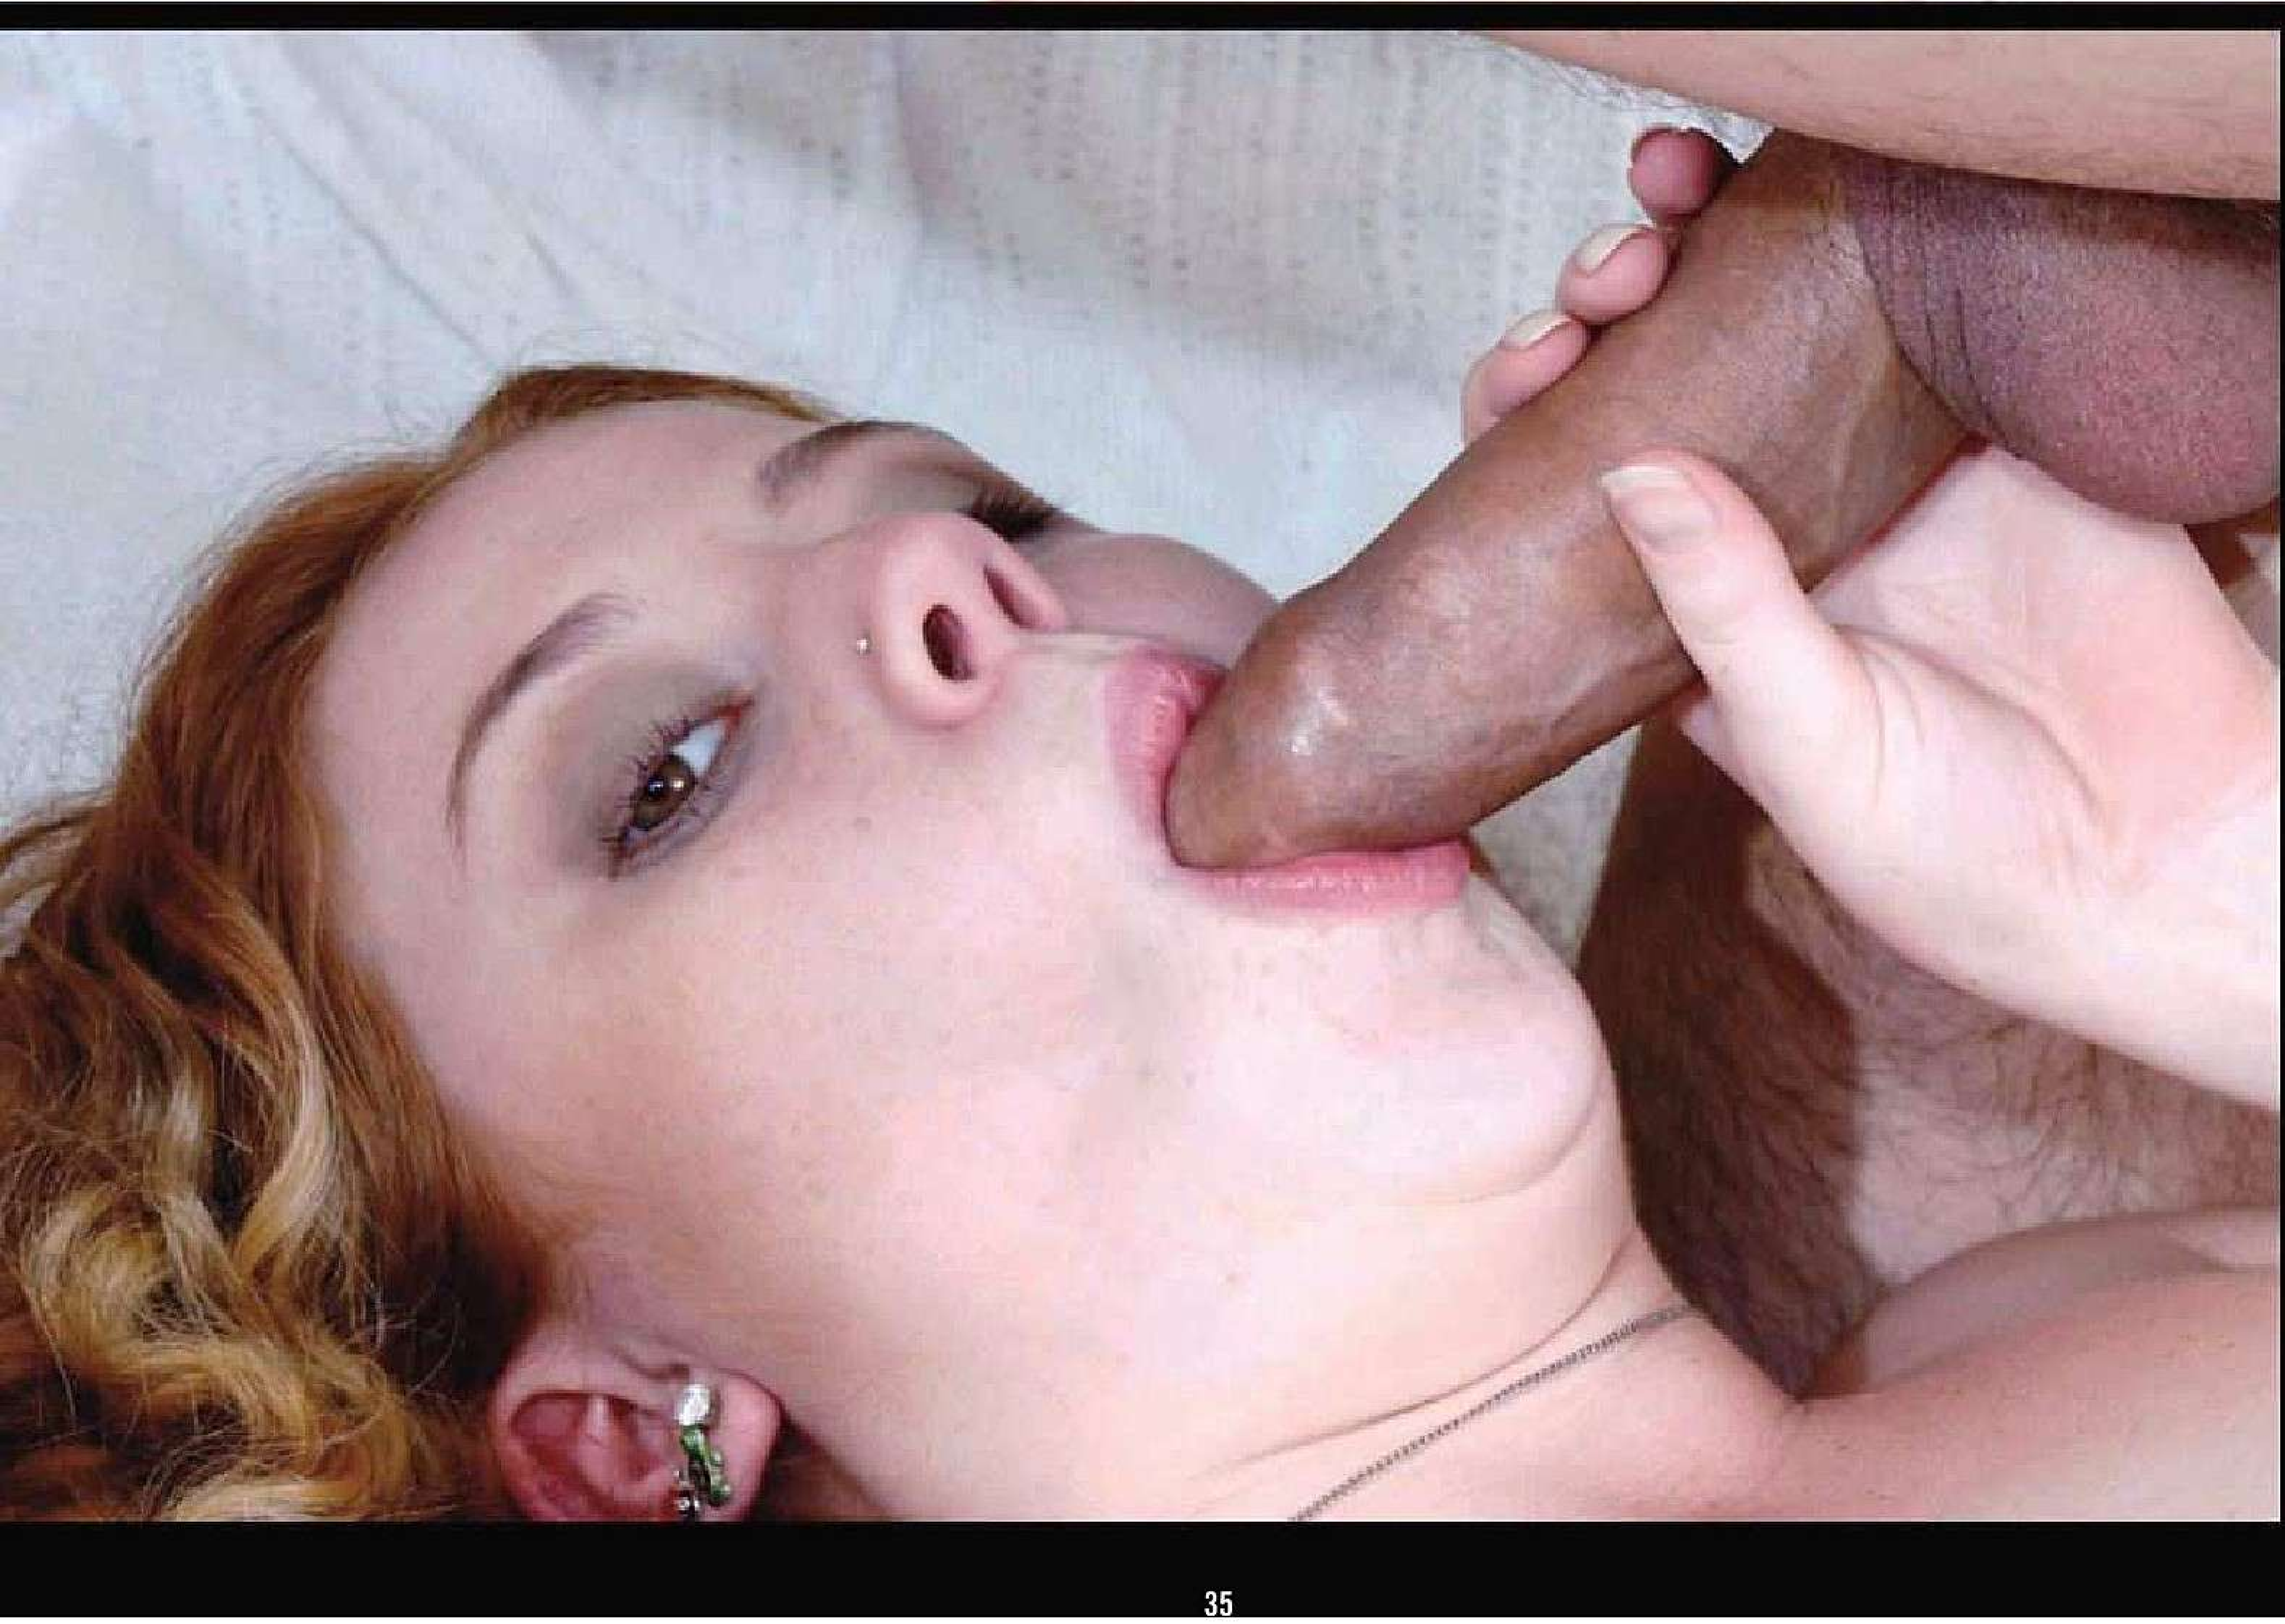
Making Ends Meet

Cherry might have physically left the trailer park, but she couldn't shake the mentality. Born to two alcoholic deadbeats, she hadn't had many opportunities growing up, definitely no encouragement to better herself. It was shocking that she made it through high school - no one, least of all Cherry, thought she'd ever go any farther. Her high school sweetheart, Buck, was, in her 19-year-old estimation, all she needed in life. Turns out Buck felt the same way about her, which was good on the surface, but also pretty much meant that they had each other, but no jobs and no future.

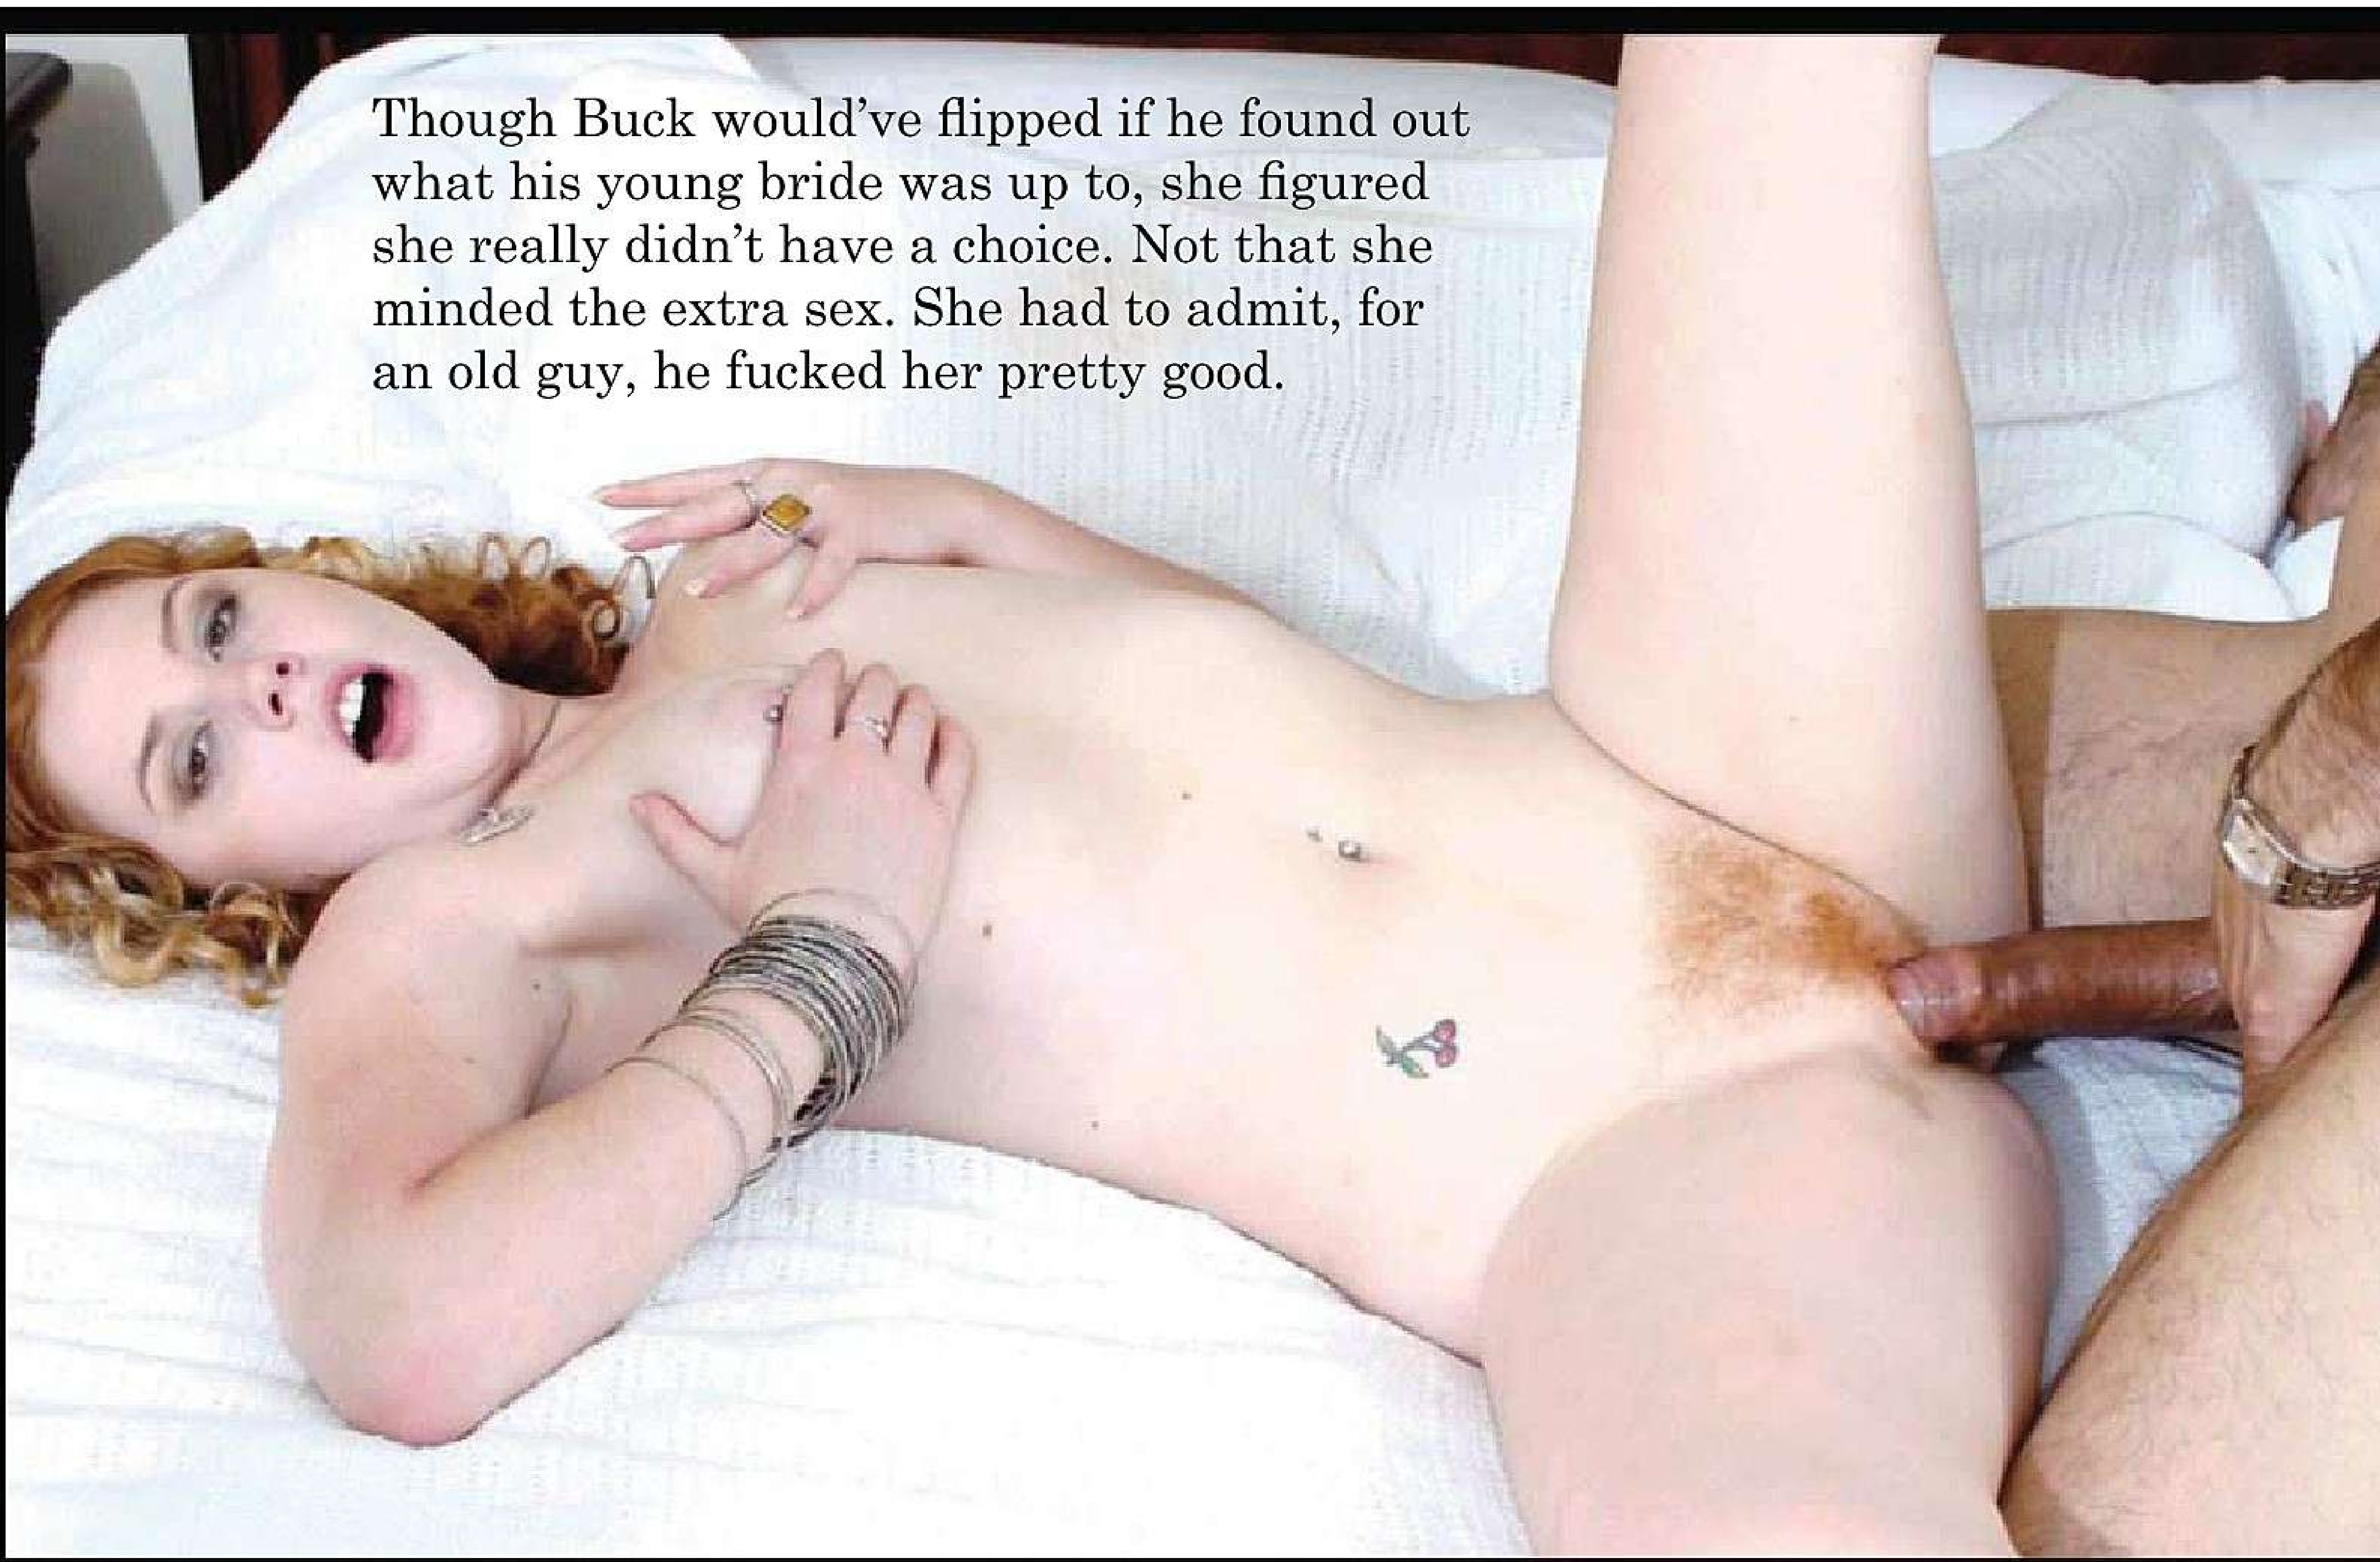
Buck might have been a lovable hunk, but Cherry soon realized that all his talents lay between his legs. When it came to making a living, he was useless. Facing eviction, Cherry realized she had to figure something out, and figure it out fast.



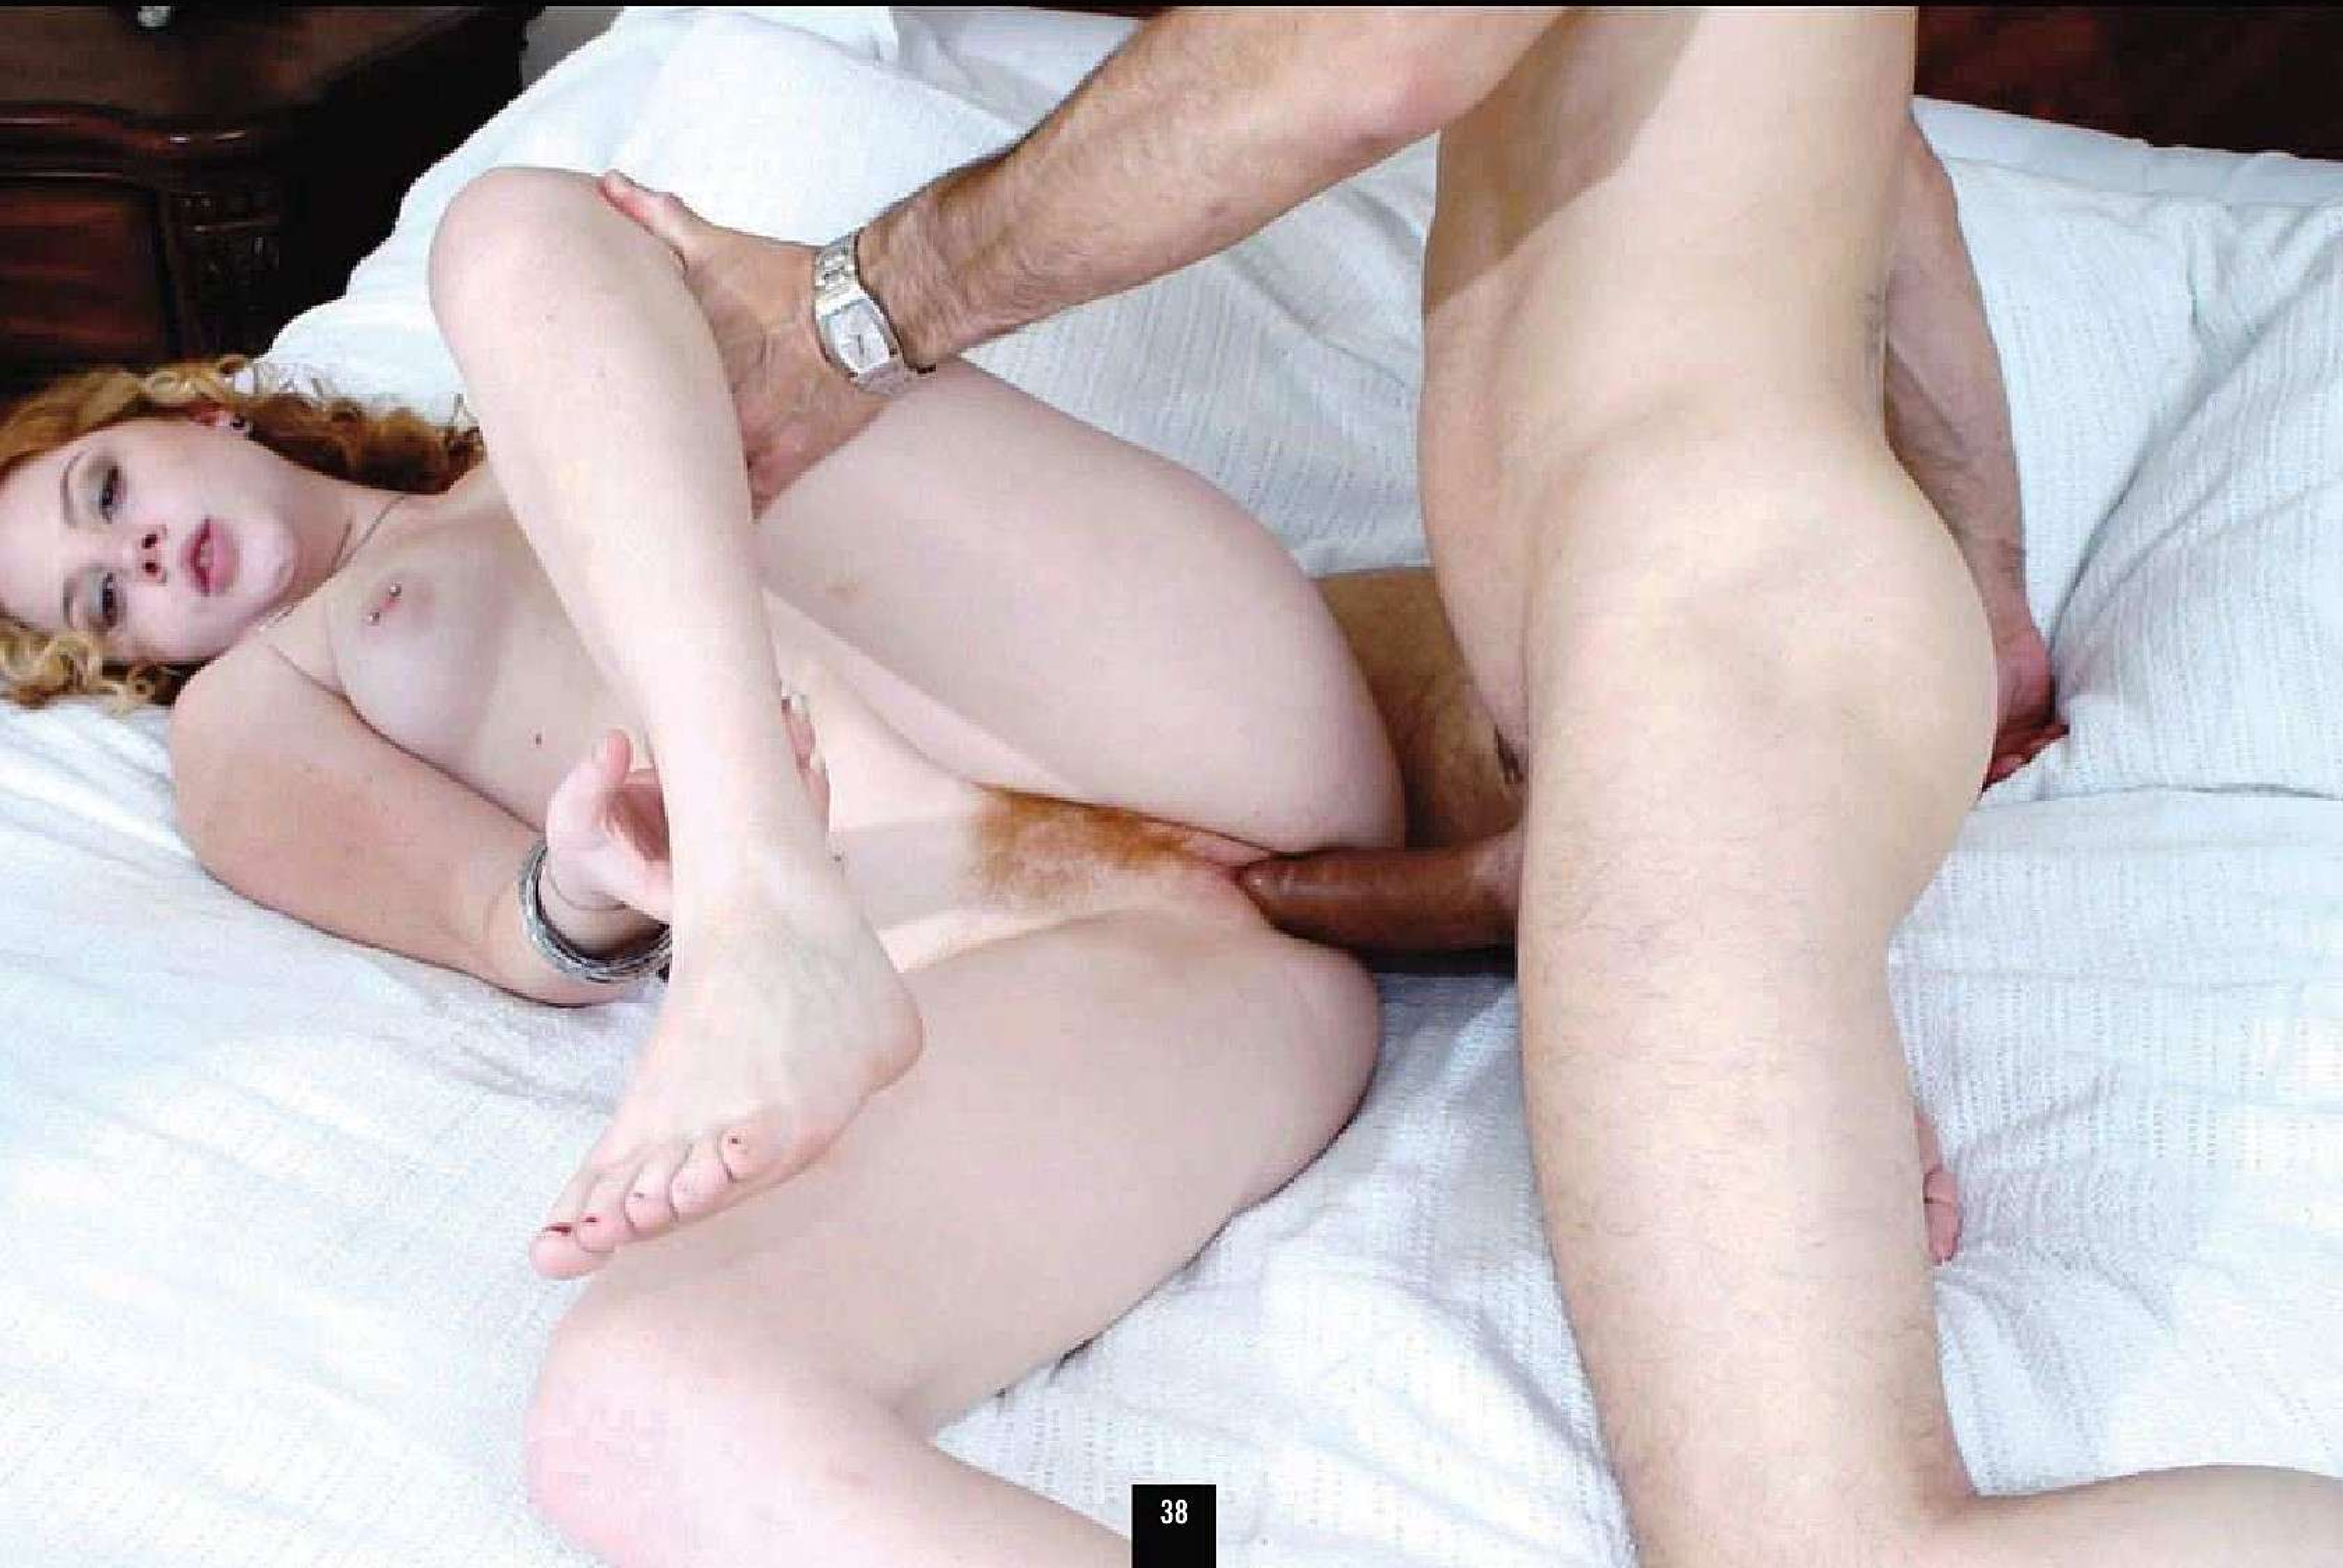
While she might not have been at the head of her class, she had always been good at giving head, which had gotten her out of many awkward situations. She figured she shouldn't mess with a winning formula.



She'd noticed her landlord eyeing her up and down, so putting on her shortest of shorty-shorts, and tightest of tops, she went to negotiate a deal with the old perv.



Though Buck would've flipped if he found out what his young bride was up to, she figured she really didn't have a choice. Not that she minded the extra sex. She had to admit, for an old guy, he fucked her pretty good.



With her rent paid up, Cherry's started to wonder what else she can get in exchange for a good screw or two. Are you willing to make a deal with this slutty redhead?

Lanny

Revenge is Spelled S-E-X

Lanny had been a late-bloomer. All through high school, she'd been this tall, skinny, awkward girl, with a flat chest and braces. Embarrassed that she wasn't "pretty," she'd tried to hide her lack of figure under layers of flannel and denim. At age 18, she hadn't had a single boyfriend, let alone been on a date or been kissed. Midway through her freshman year in college, something strange happened. Suddenly, her tits grew through 3 bra sizes, her long, gangly limbs filled out with proper definition, and her face started to come together around her newly brace-less teeth. Seemingly overnight, Lanny'd gone from ordinary to stunning. The only problem was that she just couldn't see the changes for herself. In her mind, she was just the same old Lanny, so when guys started hounding her for dates, she was astonished.

These guys didn't think their day could get any better, but when sh shimmied down on their [illegible] ith her naughty little anus, they knew they couldn't be luckier.

Unsure of what was going on, but knowing she should capitalize on her newfound popularity, Lanny started dating one of the "most eligible" guys on campus. Blinded by her perceived good luck, she didn't realize that he was playing around behind her back, with any girl who would open her legs. Sensing her innocence, he asked her to marry him; she said yes, overjoyed.

Only a few months passed before her blissful marriage became a nightmare. On more than one occasion, she caught him with other women, and for the first time, she started to see him for what he really was. She also started to see that she deserved better - both in the bed and out.

If he was going to humiliate her, she'd humiliate him right back. She'd show him how the other side of cheating felt.

Besides, she had a lot to learn, when it came to sex, and her husband just wasn't doing it for her. His buddies had no problem showing her all the dirty, sexy things she could do with their cocks.

When it came to cheating, Lanny had no shame. In fact, her husband didn't have a clue that she loved anal, or, for that matter, had even tried it - that was a special secret she shared with her favorite lovers.

Finally, Lanny realizes all she has to offer, and isn't about to stop sharing, which is good news for you. Go ahead - she won't say no.

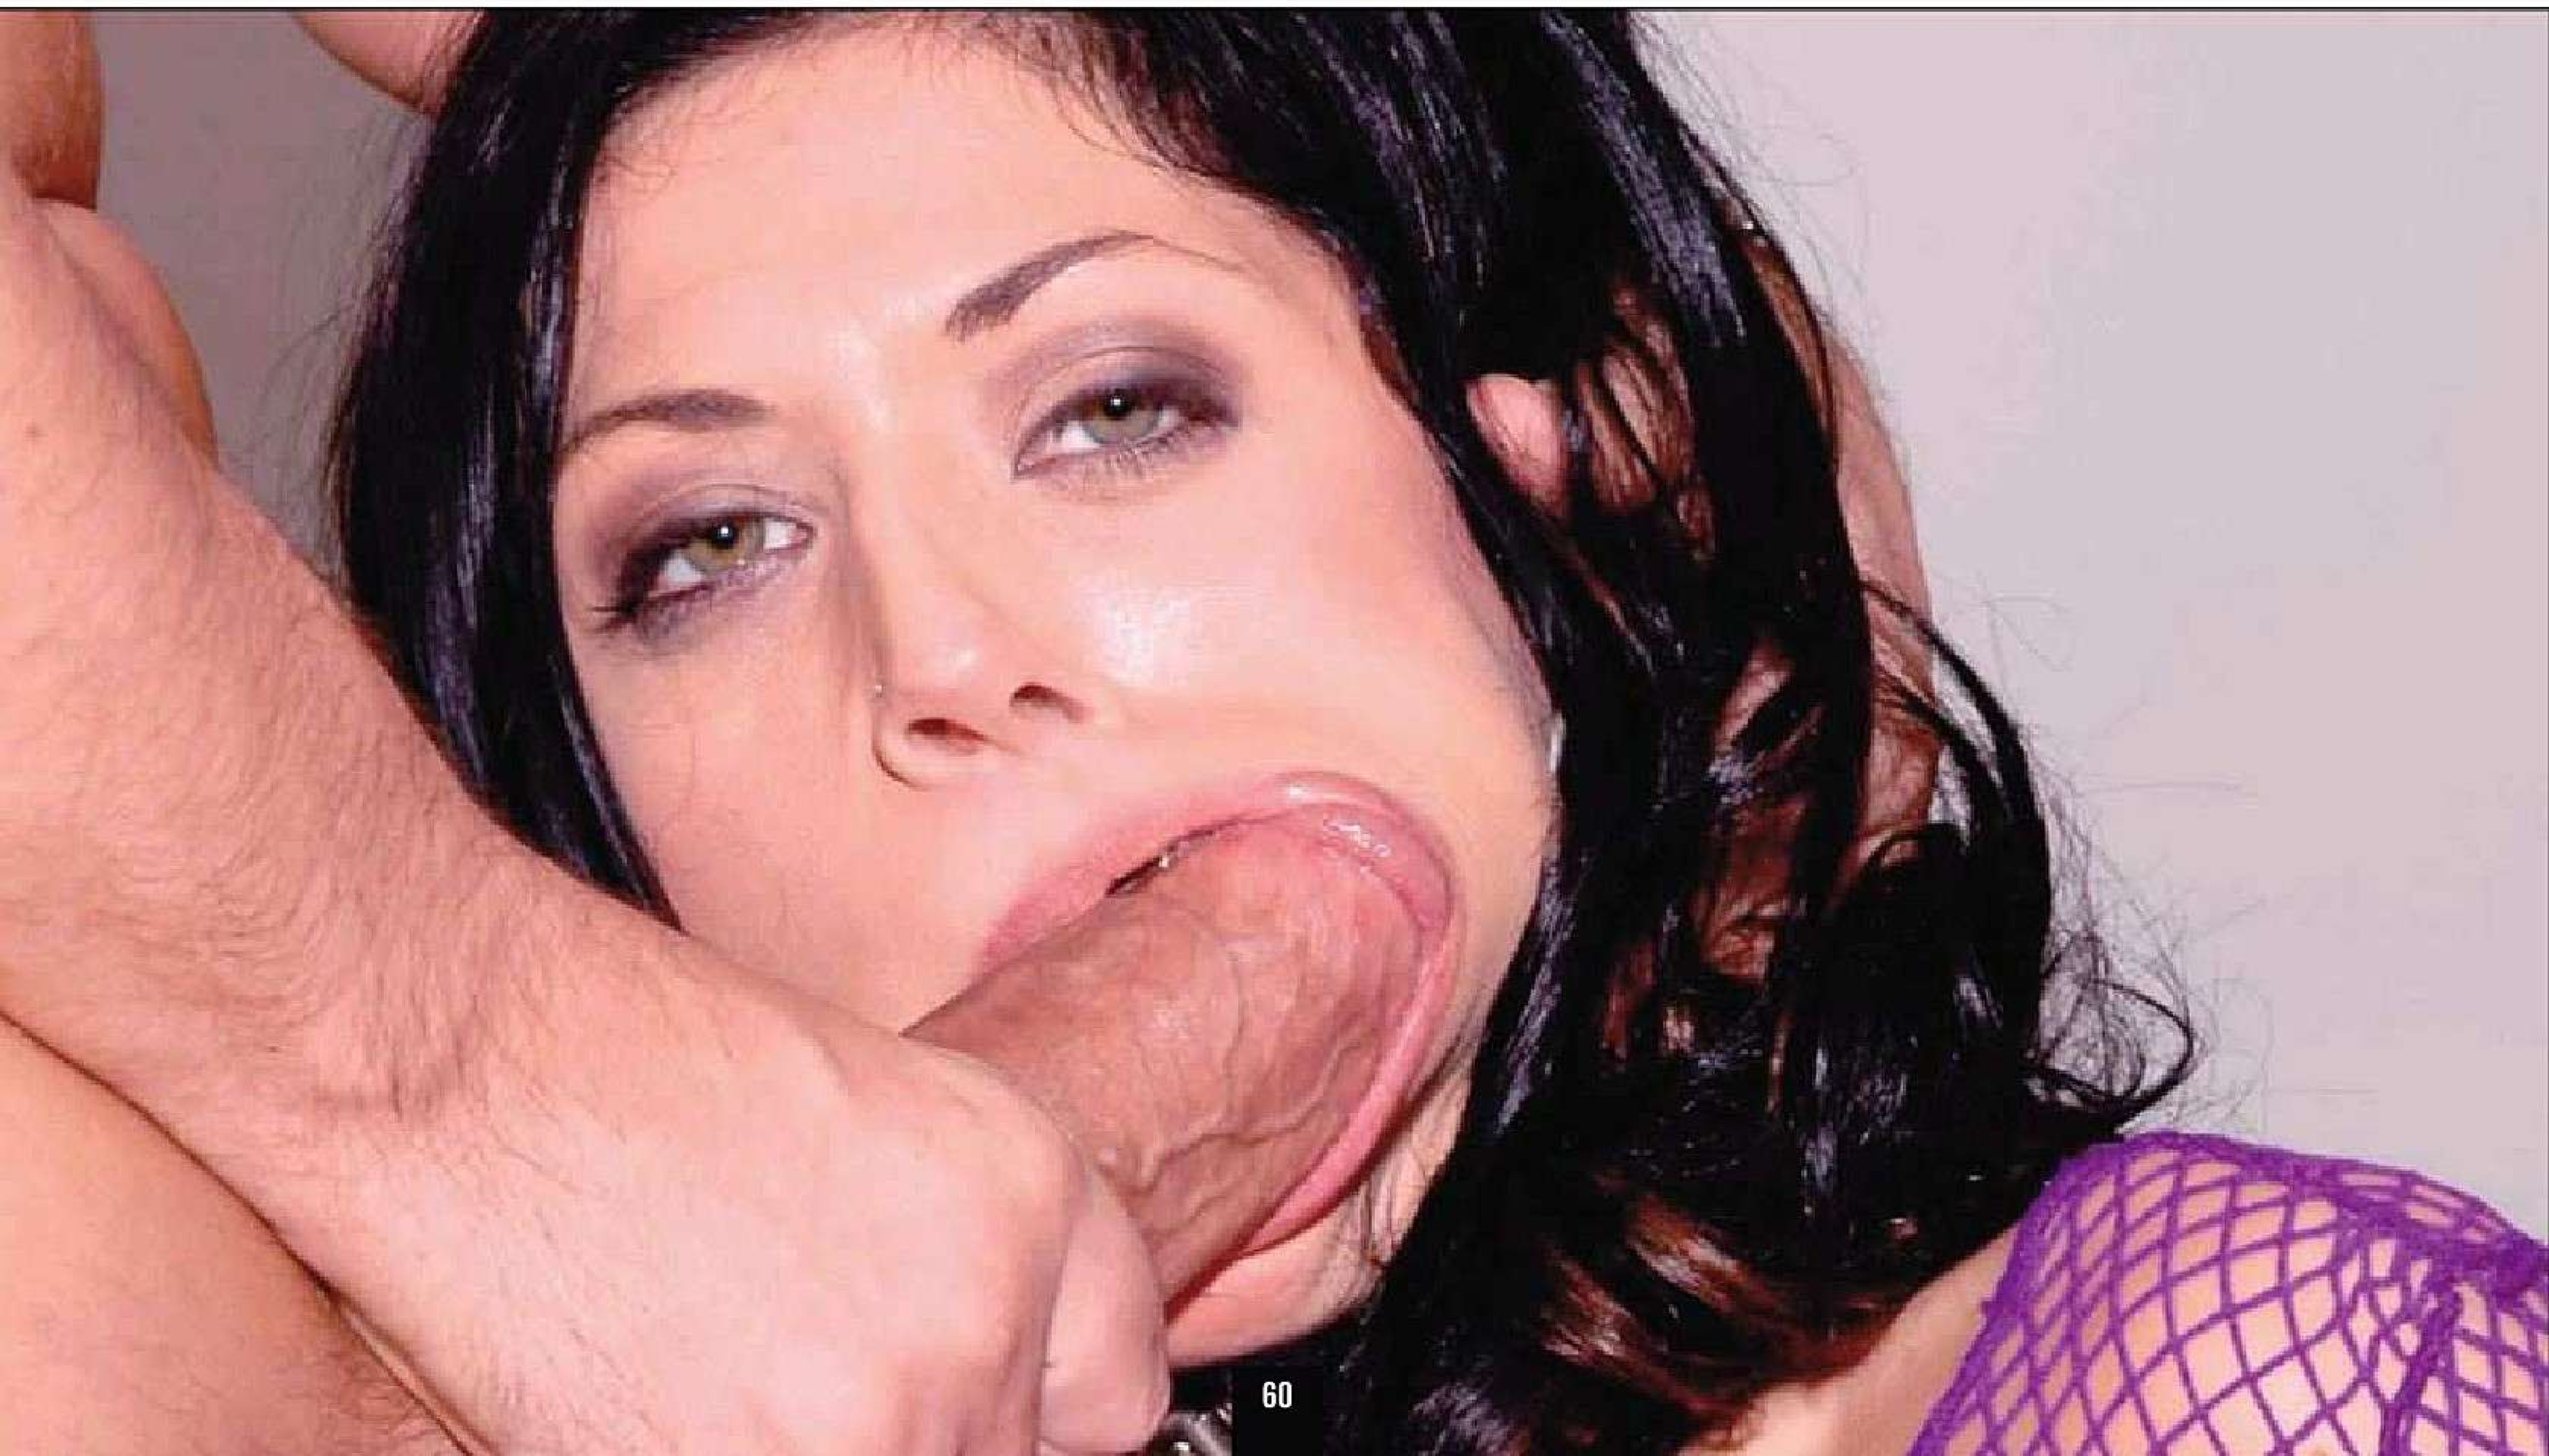
Dillan

Tricks of the Trade

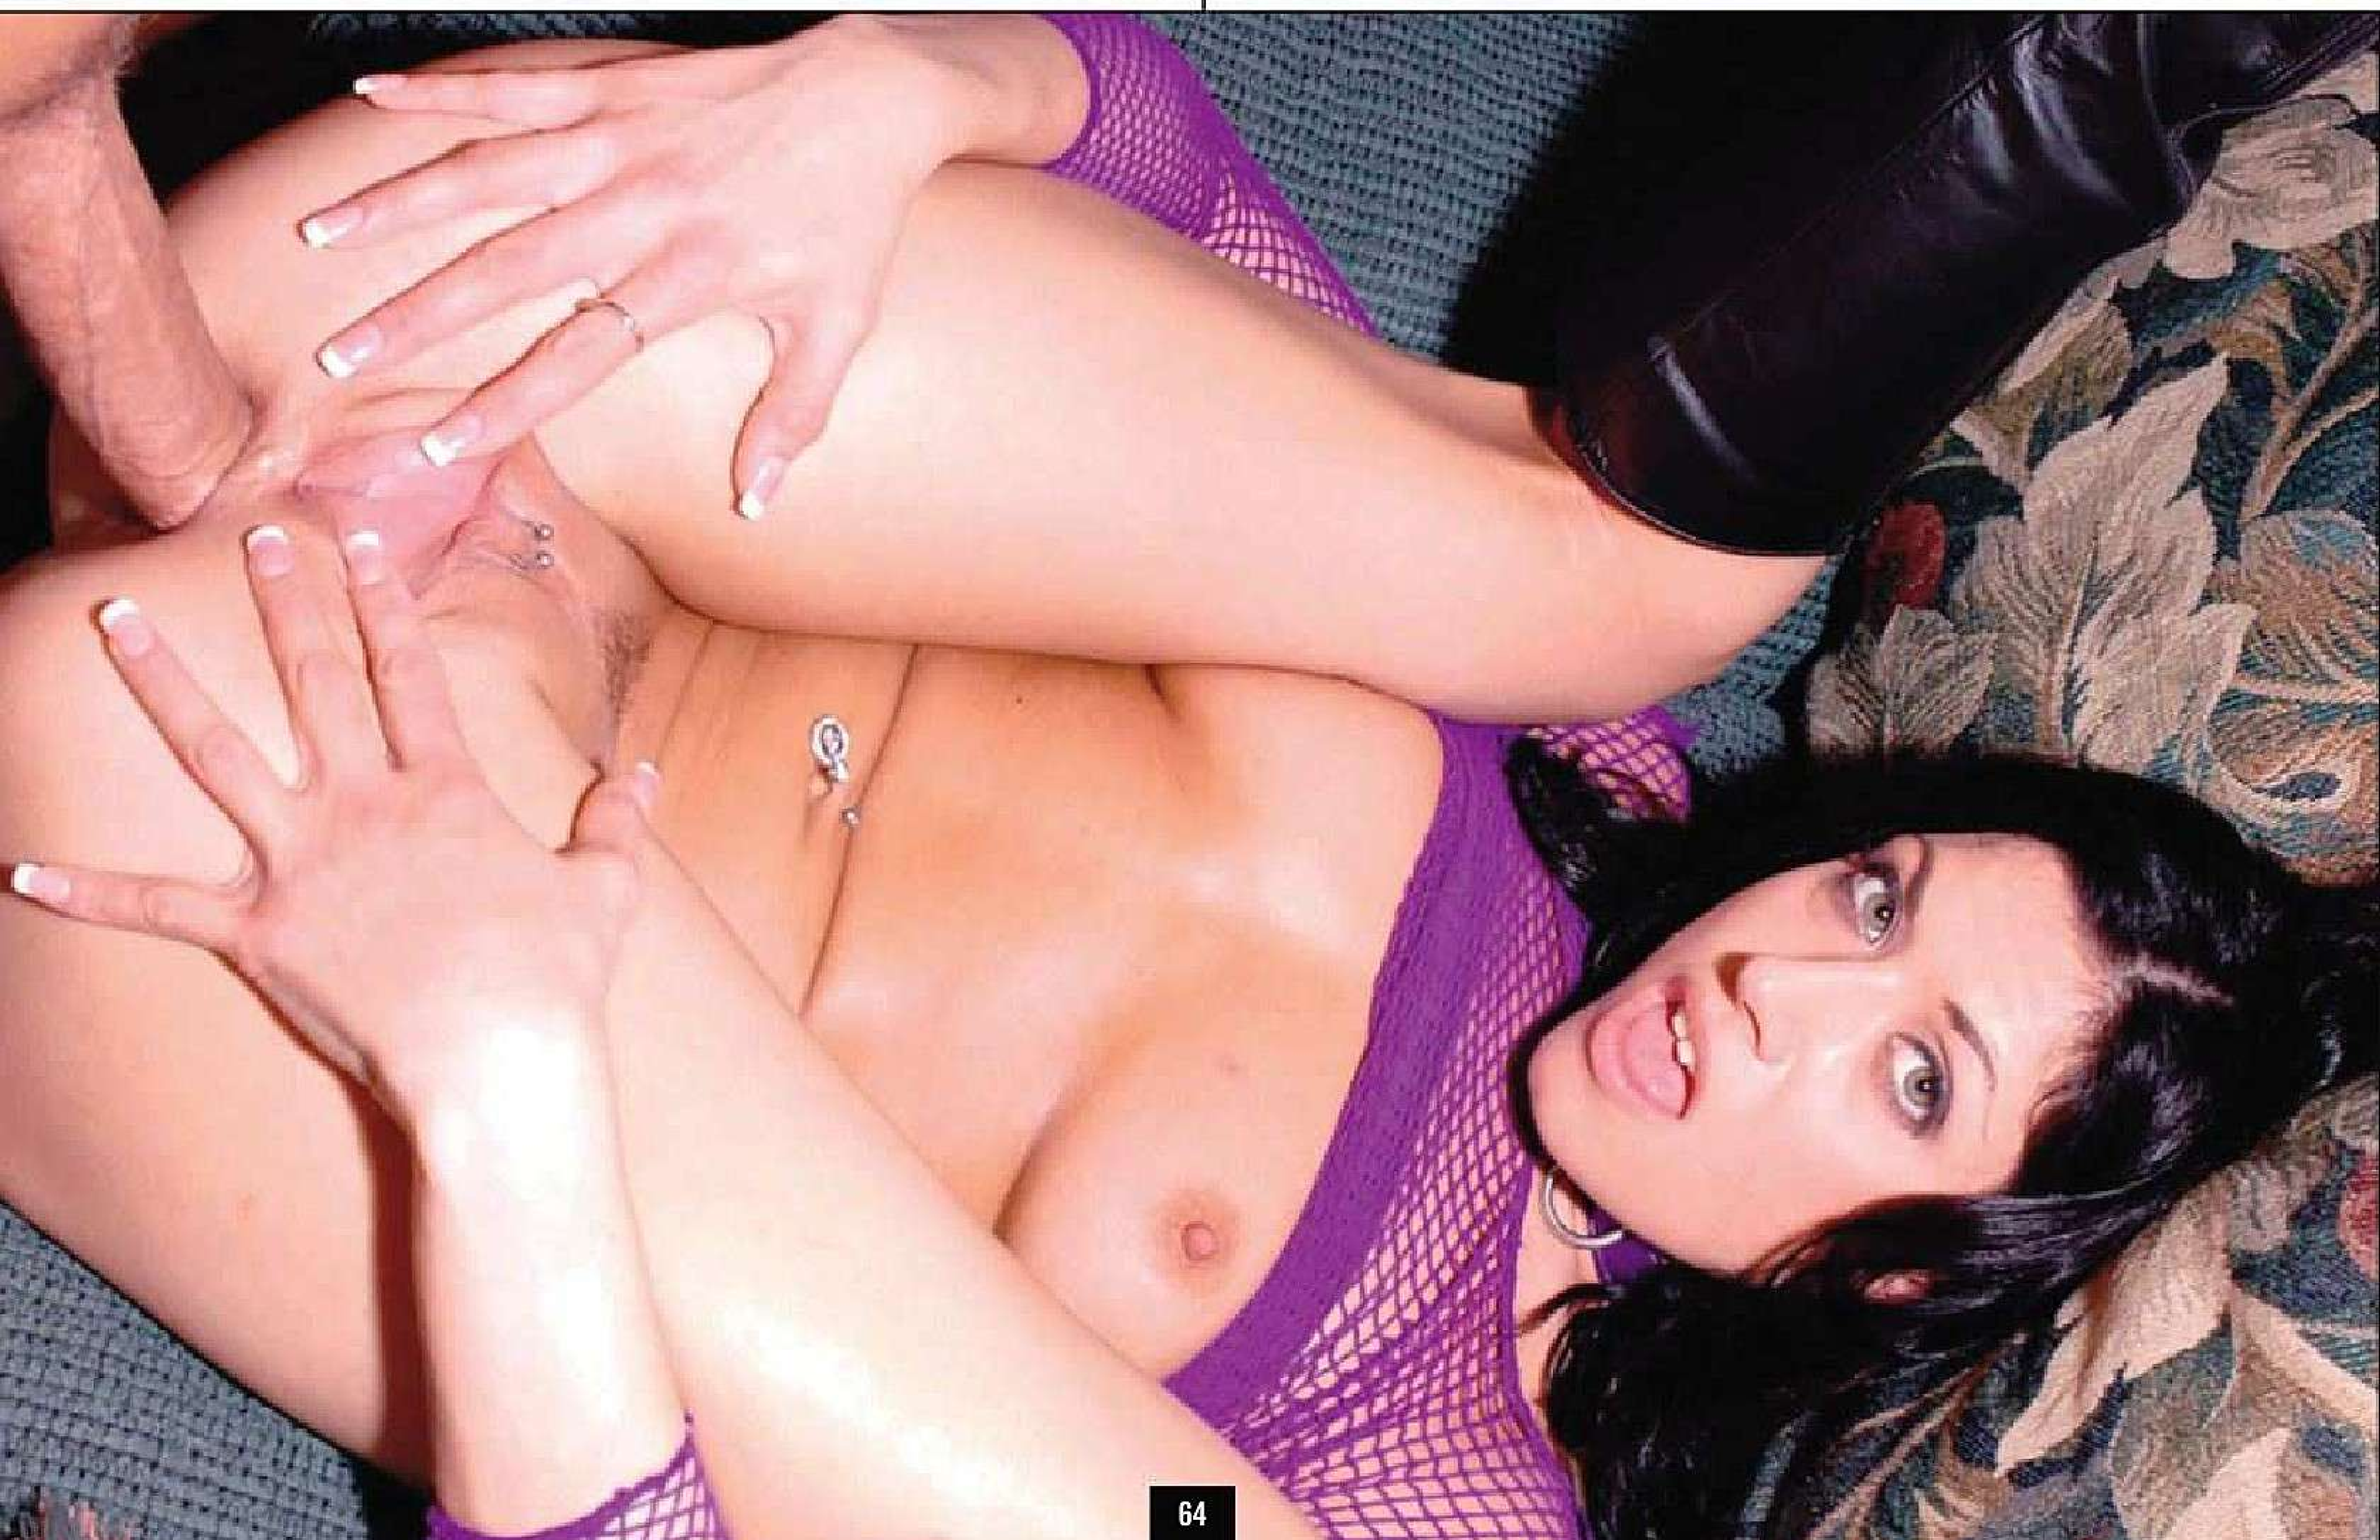
Dillan's husband didn't have a clue what she did after he left for work in the morning. After she'd gotten pregnant for the second time, she'd really let herself go. She justified it by saying that she was too busy to spend time keeping fit, but the fact was that she just didn't feel sexy anymore, definitely not at 25 pounds heavier than when she first got married. Finally, when the last of her clothes no longer fit, she realized this wasn't the way she wanted to live. She needed a change - both in lifestyle and perspective. The weight turned out to be easy enough to drop, the stick in the mud perspective not so much. She needed to do something scandalous, to turn things around. So, she did something scandalous, something she could never admit to her husband - she got a job as a buy and try girl at the XXX Emporium.

While Dillan had always been fond enough of sex, she'd never been what you could call perverse, or even naughty, for that matter. With her new job, that changed quickly enough.

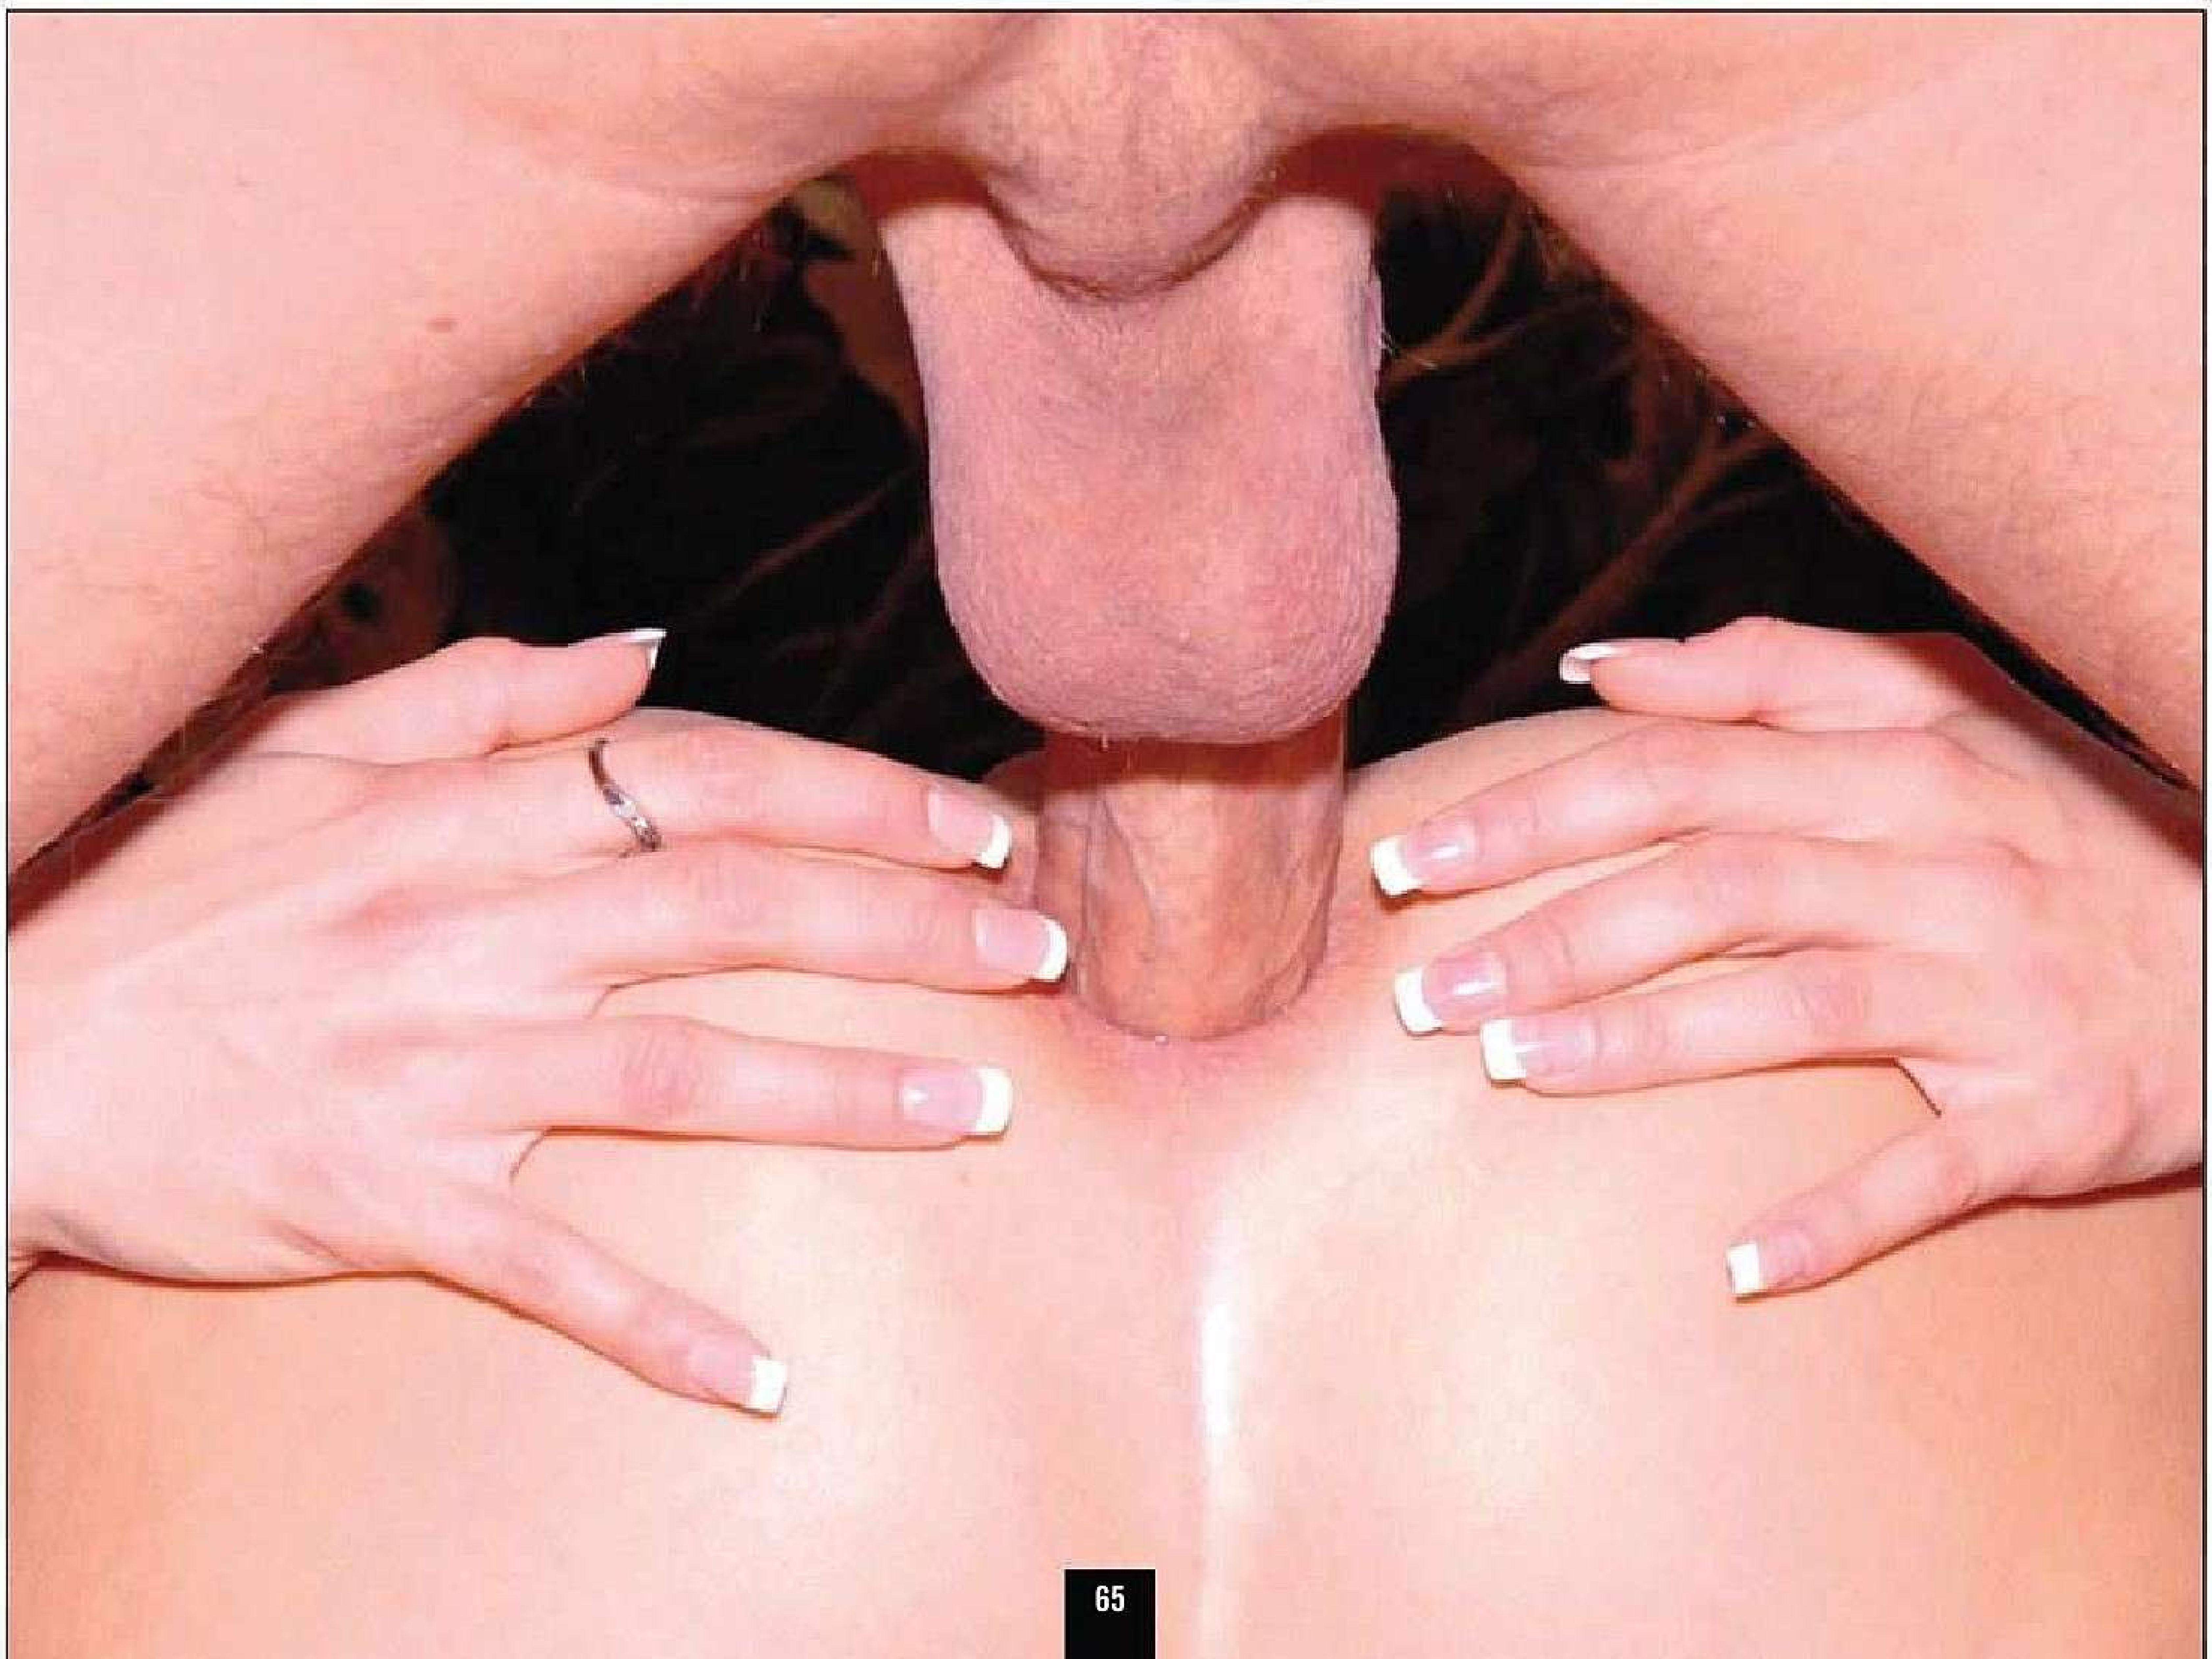
Somehow, she got a thrill from doing something that was so typically not her. It didn't hurt that she got to try all sorts of new things in the process.



Her husband was shocked at some of the things she suggested they try, but never thought she was bringing her work home with her. As far as he knew, she was at home all day, rather than in a sex shop, on her knees with dildos and vibrators jammed up her holes.



He wasn't complaining though. His pretty, sweet wife had turned into a hot slut, with an unquenchable sex drive. In fact, she was the one asking for it now, instead of him.



With an incentive like this, you can't afford not to buy some of Dillan's merchandise. After all, you've gotta give her a try.

Kaci

It's Okay to Screw Up

Kaci'd always been a good girl. She'd been a good student, didn't smoke, drink or drink and came to complete stops at stop signs. She lived her life according to the rules, down to the most miniscule of details. That's why, when her husband suggested they bend the rules a bit, to spice up their marriage, she balked. She balked even more when he suggested they give swinging a try. Her husband was the only person she'd ever had sex with, and she had never even considered doing anything with anyone else. She couldn't believe that he'd be ok with this, no less ask her participate. She was stunned.

But no matter how hard Kaci tried to hang onto her black and white existence, her life was about to change - and change for the better.

While Kaci might not like the idea, and while she might think that her husband had gone completely mental, she still knew it was up to her to make and keep him happy. If he wanted to swing, they'd swing. And when it failed... miserably... she'd be there to say, "I told you so."

The thing was, after a bit of a bumpy start, it didn't fail. Little miss never step out of line Kaci actually enjoyed herself.

She didn't want to admit it, but there was something about being screwed by strangers that excited her. She started to realize, that while her husband was great, he was routine, and she'd been missing out on all sorts of stuff.

And while Kaci still doesn't wear white after Labor Day, when it comes to sex, she's ready to break all the rules. Even better, she's ready to break them with you.

Kayden & A Little Something Special

Neither Kayden or Tory every imagined they could like girls. When they first met, Kayden was engaged to her boyfriend of 2 years, and Tory was fucking just about any prick she could get her hands, or mouth, on. They were both all about the cock, and didn't think anything could change that. Despite this, for some inexplicable reason, they fell for each other; everything just seemed right when they were together. Neither of them knew the first thing about how to have sex with a girl, but they were adventurous enough to give it a try, and it was amazing. After a couple of months of seeing each other, Kayden dumped her fiance, Tory told her multiple boyfriends she wasn't playing anymore, they moved in together and started tearing things up.

Tory

This worked for a couple of years, but all along, they knew that something was missing. The sex was phenomenal, but it just lacked a bit of sizzle.

Then they realized what was missing: dick. Tongues, fingers and toys are great, but these two just needed something more, at least on an occasional basis.

So, slowly, they started inviting a few special guys into their bed. Of course, with two gorgeous girls like this, all sorts of guys wanted to be special.

A good cock in cunt pounding was just what they needed, and when they weren't fucking men, sex with each other was incendiary.

Do you have that something special these horny girls are looking for?

CARNY GIRL

I'm not as young as I used to be. Nobody is. But when you're a woman, and pushing fifty, a lot of guys just aren't interested. But I'm still interested, plenty interested, my sex drive undiminished.

I'm no longer tight and perky like I was at twenty, but my tits are fuller now, my body more curvaceous, my cunt just as hot and juicy, and my sexual experience off the charts. I use all of the above and more to attract men's interest, and keep it.

I'll hand out handjobs and dish out blowjobs, take it and give it anally as required, bondage and spanking if desired. But my specialty, and personal favorite, is tea-bagging – sucking a guy's nuts until they're boiling with sperm and he's just got to get off all over my waiting face.

Paulo was just my type. Tall, dark and handsome, and hot-blooded. He'd been eyeing me sipping my Mai Tai in my scarlet mini-dress and fishnet stockings and black leather slut heels for ten minutes or so, before he finally approached.

"I think heaven is missing an angel," he purred, leaning his elbow on the bar next to me.

I wasn't sure if that was a crack about my age or just a cheesy come-on line, but either way, I liked everything else about the guy. Especially the rigid outline of cock in his tight white pants. He obviously was liking what he was seeing of me, as well, his sultry brown eyes roving all over my jugs spilling out the front of my low-cut dress, my butt mounds bulging out the back of the slinky garment.

He wanted to dance. I wanted to fuck. A girl's got to conserve her energy at my age. Besides, hit 'em with hot, steamy sex – hard – right off the bat, and they'll keep coming back for more.

His idea was a romantic cab ride back to his place. My dirty idea was better, and quicker – the alley out back.

I slammed the guy up against the brick wall and smothered his hard, hot body with my soft, curvy form, devouring his mouth with my mouth. Our slippery tongues danced a heated samba together, as I ripped Paulo's white shirt open, roamed my hands through his thick chest hair.

He groaned into my open mouth when I locked his stiff, tan nipples between my fingers, spun them. I caught his tongue out with my teeth and bobbed my head back and forth, sucking on the slick, budded appendage, twisting his nipples harder and higher.

Then I pulled back, popped my bare boobs out of my straining dressfront. I clutched the huge, creamy-white globes. They gleamed hotly in the light of the streetlamp out on the sidewalk. Paulo licked his lips, gripping my waist.

"Suck Mommy's tits!" I hissed. "Suck them!"

He liked that. All guys do.

He slapped my hands aside and hefted my casabas, bent his head down and pulled a fat pink nipple into his mouth. I shuddered and moaned, my pussy dripping wet between my legs.

Paulo sucked, tugged on my engorged tit-caps with his petulant lips, flooding my knockers and body with bliss. He bounced his head from one to the other, squeezing my mams, mouthing my spigots.

Finally, I pushed him back, kissed the sexy mouth that had been milking my hooters. Then I went down, all the way, onto my knees on the hard alley floor. I gripped the snake straining the stitching on the front of Paulo's pants, and pumped, petting the bloated hard-on. He groaned, grasping my dyed auburn hair.

Deftly popping his pants open and pulling his fly down, I dragged his schlong out into the open. It was even more impressive in-person, bare and throbbing in my hand – eight smooth, cut inches of golden-brown, bulbous-capped meat.

"God, it's huge!" I breathed all over the pulsating appendage, like men love it.

Paulo grunted his pleasure. I bathed him in more praise, twirling my tongue around and around and around his mushroomed crown, shining it with my spit. Then I poured my heavily-glossed lips over his knob, taking him inside my hot, damp mouth and tugging.

Paulo buckled. Bellowed, when I consumed his shooter inch by turgid inch, gobbling up a good three-quarters of his tool, then sucking. I moved my head to and fro in his hands, vaccing his cock.

He tasted delicious, thick and beefy. But the house specialty on the menu that night was simmering just below, its sweaty scent and wrinkled texture

and twin-testesed fullness something I crave even more than cock. Any good-looking stud could get a back alley bj from any sordid floozy; but a balljob, that was something worth remembering – next time, and the time after.

I eased my head back, letting Paulo's dong oil out of my mouth. He grunted in dismay. I looked up at him and winked. Then I went nuts, pressing his cock up and diving my head down, swallowing his sack in one fell swoop. He gasped with delight.

His pouch was hairy like the rest of him, fulfillingly heavy balls bulging huge in my mouth. I sucked with abandon, pulling with my lips, juggling his nuts around with my tongue, applying more mouth-suction to one engorged testicle, the other. I clamped his package down tight and thrust out my tongue, licked his perineum.

Then I let go of his prick so that the tremendous organ hung over my face, casting an ominous shadow, as I sucked on his sack. Paulo clawed at my scalp, bucking his hips, pleading with me to stop, and go on. His pouch tightened in my mouth with impending eruption. I twisted my head to the side, his bag along with it, cutting off his flow at the source.

He stared down at me, vibrating. I turned my head back, releasing the restricting pressure. Sperm boiled up quickly again. I twisted it off again. I did it five or six times, making Paulo beg for mercy, for release; making him mine.

I straightened my head and eased up on his sack. Then I sucked hard and quick and relentlessly, my cheeks billowing and mouth vaccing. Paulo cried out in the night, his cock jumping against my nose and cheek, semen jetting out of the tip.

I milked the guy's nuts of every drop they held.

I'm a bag lady. And proud of it!
